A Place to Call Your Own

Ohio Northern University

A Place to Call Your Own

A place to call your own—something that everyone searches for in life. While you were growing up, your home was your personal place and within your home, you had your own private spot—whether it was your bedroom, a tree in the backyard, or your daddy's lap, it was a place to call your own. In high school, you found your niche, maybe it was as running back for the football team, student council representative, or alto in the choir. You found a place to call your own—your activities, your friends, your school. Now you are in college and it's time to find a new place to call your own.

That is what Ohio Northern University has become to its students, faculty and staff; a place to call their own. The friends you have here, the activities you participate in, and the decisions you make, will change your life forever and mold you into what you are. As you look over these pages, I hope that you will recall many special memories, and that you can call Ohio Northern, and all that is here, a place to call your own.

Sincerely,

Julie A. Shadley

College Life

MOVE-IN DAY

Sunday, September 5, 1993... It's a hot late summer day as many new ONU students and their parents travel to Ada in packed cars. For some of these entering freshman, it was an exciting new beginning. A new life with more freedom and greater responsibility than they had ever known. This day was also intimidating. Moving away from home and into a residence hall with an unknown roommate complicated the transition for more than one student.

No matter how far you traveled or how scared you were, there were Good News Bear-ers everywhere to help you move in and feel welcome on campus as soon as you set foot out of your car. After getting settled in, there were many informational sessions and activities to acquaint you with the university and help you make new friends. These activities included the Playfair at King Horn Sports Center

and a welcome dinner held by President Freed in McIntosh Center.

The following day as freshmen were settling in, the upperclassmen returned to campus. They were busy unpacking, catching up on old friends, buying books, and even preparing for classes.

Whether you were an arriving freshman, a Good News Bear-er, a faculty member, or a returning student, Move-in Day 1993 was the beginning of a new chapter in many lives that would never be the same, and the start or renewal of college careers at Ohio Northern.

HOME AWAY FROM HOME

PARENTS WEEKEND

Students have cleaned their rooms, done their laundry, and placed texts and open notebooks on their desks. This can only mean one thing... parents weekend. As cars arrive from all over, students show off the clean residence halls and give their parents a taste of college life at Ohio Northern.

For many students this may be the first visit with their parents from the time they arrived at ONU in the fall and before the Thanksgiving Break; so they make the most of it. Whether they will admit it or not, students are happy

to see their family and it is time to get reacquainted with them and catch up on things happening at home.

If you are lucky your parents will take you shopping for groceries, laundry detergent or other necessities of life. Also, many students hope their parents take them out to dinner, somewhere other than Saga or Hardees.

This weekend is fun for both parents and their children. For parents they get a glimpse of how their child is faring alone, and students get a refreshing break from the never ending rush of college life.

IT'S A SMALL WORLD AFTER ALL

Homecoming week 1993 was a successful succession of activities with many students, faculty, and alumni in attendance. Homecoming is a time when everyone associated with Ohio Northern currently or in the past join together to show their pride in the university.

This year's festivities began with Banner Day on Monday. Organizations around campus created banners signifying this year's theme "It's a Small World After All," borrowed from Disney. The entries were displayed in MacIntosh center and the competition was won by the sisters of Zeta Tau Alpha.

Tuesday and Wednesday continued the spirit with sweatshirt day and Simon Sez. The Simon Sez competition was open to all students who wanted to test their attentiveness and compete for cash.

Float day arrived on Thursday with entries from most of the fraternities and sororities

on campus. In the end however, top honors were taken by Alpha Xi Delta.

Finally, Friday night arrived with a new event, the Battle of the Bands, and the annual bonfire. Student bands were given exposure, then much of the student body followed as part of a torch parade to the athletic fields for the lighting of the fire. Many of the coaches spoke and introduced their teams as the campus geared up for Saturday's parade and game.

Saturday was the apex of homecoming with many alumni coming to Ada for the game and parade. This year's parade presented ONU's marching band as well as high school bands, the floats, and the homecoming candidates.

Later on, the football team rolled to a 84-13 win over Hiram, and the Homecoming court was announced at halftime. Jon Cook and Jen Gearhart were honored as Homecoming King and Queen, being crowned by last year's royalty.

ROYALTY CROWNED

AROUND TOWN

Ada, Ohio... the place all Ohio Northern students call home for four or five years. It's not exactly a metropolis, but it's certainly not a place you will soon forget.

For many the move to Ada is like entering another dimension. It is true that when ONU students arrive in the fall the town population doubles, and this is quite a shock to those from larger cities.

While at first look it may seem that a small town like Ada doesn't have anything to offer college students, there are a variety of services available to them. For entertainment, you can attend a movie in "Wide

Screen Stereo" at the Ada theater, rent a movie, or go to the Regal Beagle.

But of course there is one necessity of life often on a college student's mind.... Food. To satisfy this never ending hunger there are many pizza possibilities, The Gallery Cafe, and probably the most famous landmark in Ada... Hardee's. This is the only fast food restaurant in town and it is the site of late night studying and 24 hour service.

So Ada may not be the biggest place or even be able to compare with our hometowns, but it's our home during one of the most memorable time periods of our lives.

AROUND CAMPUS

It is often said that all work and no play makes a very boring person. But it can also make an overstressed college student. To be a successful student you must relax and unwind, in order to balance your life.

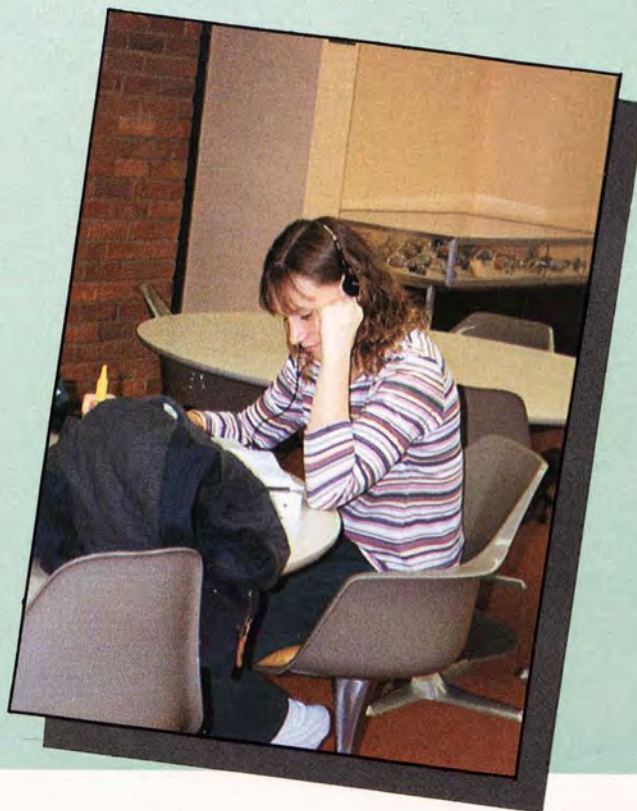

Around campus you will always find people studying in classrooms, in lounges or, in the library—that is what we came here for. However, when you need that study break, ONU offers a wide variety of activities and events to satisfy many tastes. There are shows at the Freed Center, TGIF activities, sporting events to attend, clubs to join, and events like Tunes on the Tundra. Also, King Horn offers sports facilities for everyone including swimming, weight lifting, racketball, tennis, and indoor track, basketball, and much more on a daily basis.

While at Ohio Northern, “little” things usually taken for granted suddenly become im-

portant. The daily trip to the mailbox turns into a hopeful quest for a state of life outside of Ada and you realize there are never enough quarters for all your dirty laundry. Also, few of us will ever forget “SAGA” any time soon, or how we dream about home cooked food.

Another aspect of ONU that adds to its personality is the harsh winter wind, this year producing a chill of fifty below zero. Students bundle up and tread through the snow and pray for the sun to shine on the Tundra once again.

No matter where you’re from, the time you spend in Ada is different from any other time in your life and ONU offers a place for you to grow, learn, and enjoy life.

7 HEATRE

When most of us think of the theatre, we think of a place where we can get dressed up to go see a play, or even the place we are required to go for class. However, the theatre is much more. It is an educational tool for those who want to study in the field of theatre. ONU students get to direct and stage many of their own productions which is the key to their educational experience.

The audience can also learn things from the different types of plays that can be seen. One just has to keep an open mind and have a desire to experience new things, and new interpretations of familiar plays.

This season brought about a variety of different shows from block busters like "Pippin" and "Little Shop of Horrors" to the more controversial show

of "Sexual Perversity In Chicago." The season was able to provide a good blend of different types of shows. This adds to the overall success of the season because every play has its own audience and also has its own success.

Next time you walk into the theatre, remember that it is a place to learn, like any other classroom on this campus. The only exception is that everyone from the actors to the audience is learning from the experience. Hopefully, the students will be fully prepared for their futures because of the experience they have received at ONU. Maybe we'll even see some of them on Broadway some day.

THEATRE

HONOR'S DAY

May 4, 1994 was a special day set aside to honor the academic accomplishments of ONU's students and faculty. The day's major activity was the University Assembly where every professor and administrator assembled in King Horn wearing robes displaying their academic honors. The insightful address was given by Dr. F. C. Richardson, President of State University, College of Buffalo.

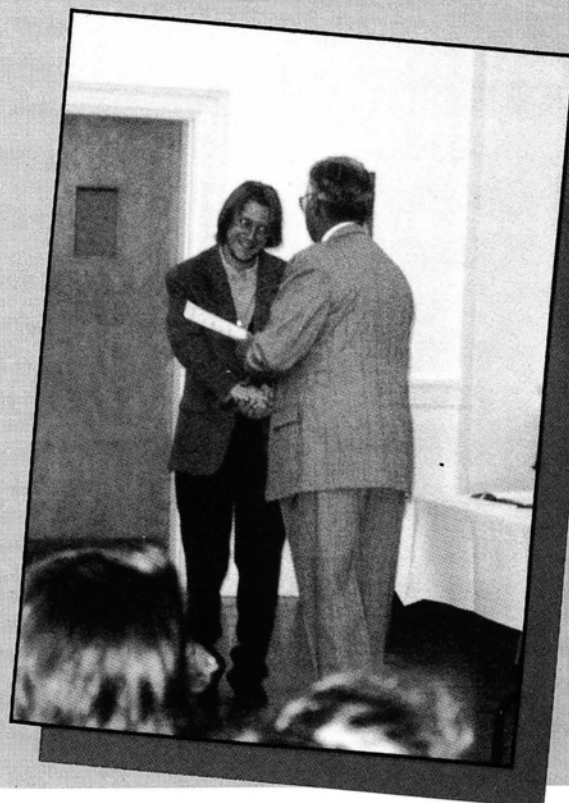

Throughout the day, each college and department had special time set aside for inducting students into honoraries and honoring their excellent academic accomplishments. The many honoraries and outstanding students participating in the day's events were well deserving and encouraged to continue their superior work.

For the freshmen, this was their first experience

with Honor's Day, and they were not left out. The top freshmen women were inducted into Alpha Lambda Delta, while the outstanding male freshmen were inducted into Phi Eta Sigma.

When people are honored for what they have been able to accomplish, it makes all the hard work and dedication put into their studies seem worth it. So, the next time you get frustrated studying and want to throw your book out the window - don't - because having another person recognize your accomplishments and your achievements is the greatest honor you could ever receive.

LITTLE SIBS

It is time to take a break from all our studies and spend a weekend with our little sibs. Isn't it amazing what we will do for them. Not only did we buy them t-shirts, but we then had to help our little sibs tie dye them. And that was only the start of everything.

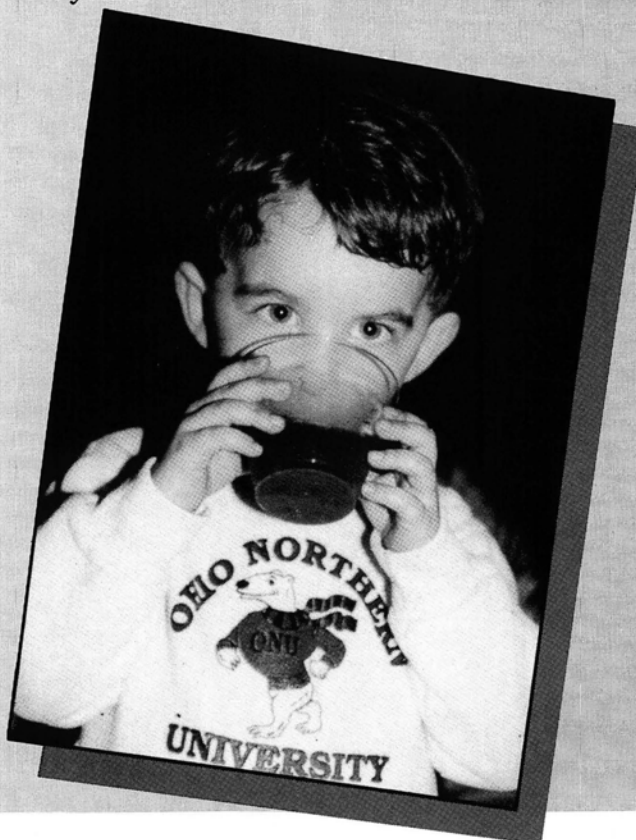

It really is a good thing that our little sibs have more energy than us - because the numerous activities offered were able to keep us busy all weekend long. We were able to create masterpieces out of clay, have our pictures taken with the ONU polar bear, and decorate cookies. We were also able to work on our athletic techniques at the sports clinic, and even take a dip in the pool to relax and cool off. Just when we were about ready to drop from complete exhaustion, there was a magic show you just couldn't miss. It was also the highpoint of the weekend for many of the little sibs.

The theatre department also put on a play called

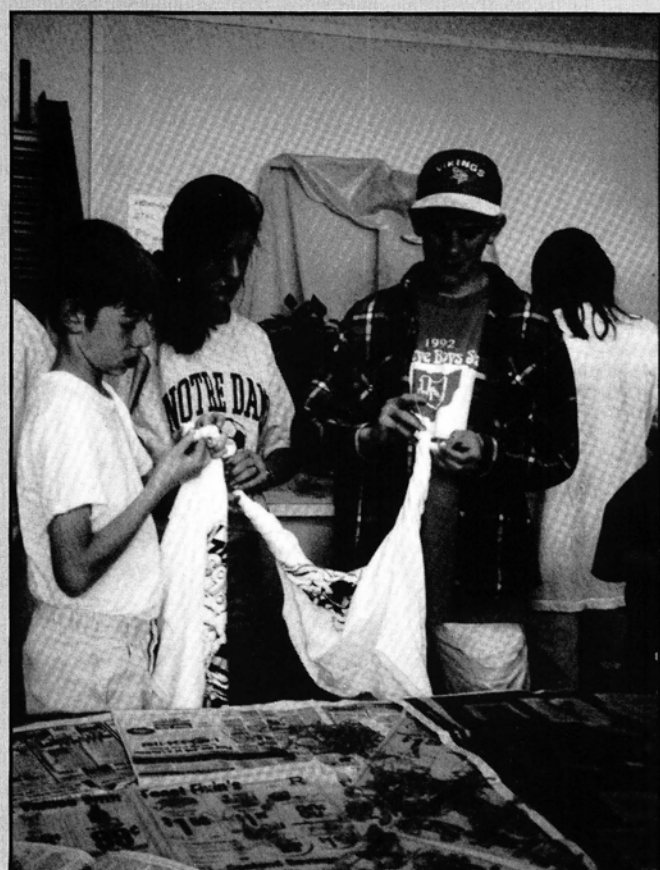

Timothy sure is enjoying the orange punch his aunt, Kelly Gilmore, gave him (Photo by: Staff).

"Ticklecakes" in the activities room dealing with the effects of drugs. If you took your little sib to see this, you were even able to teach them a very valuable lesson. They were able to learn more than just the excitement college has to offer.

Was the entire weekend worth it? Of course it was. Just look at the smiles your little sibs had on their faces all weekend long and the disappointment in their eyes when they realized it was time for them to head home. It was definitely a weekend filled with excitement and fun for everyone. We look forward to spending another weekend with them next year.

SEE YA NEXT YEAR

LAW COMMENCEMENT

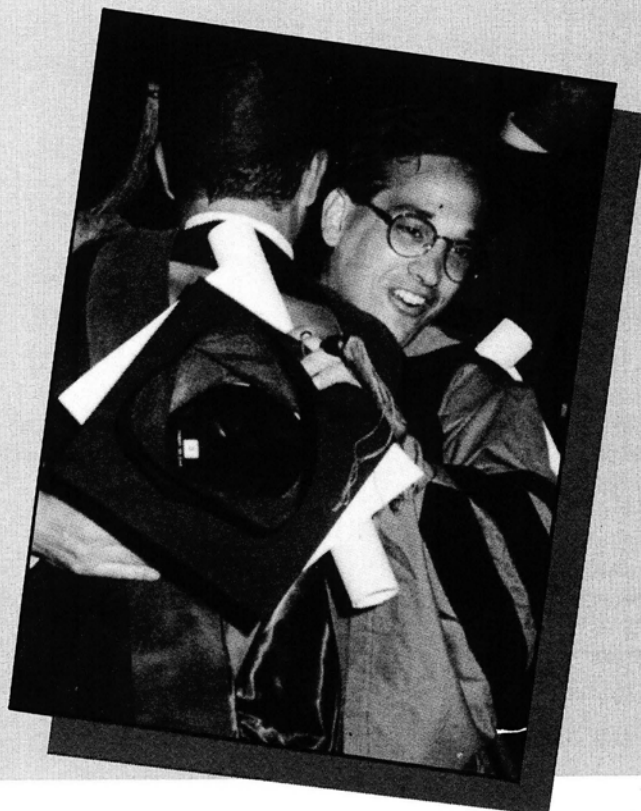

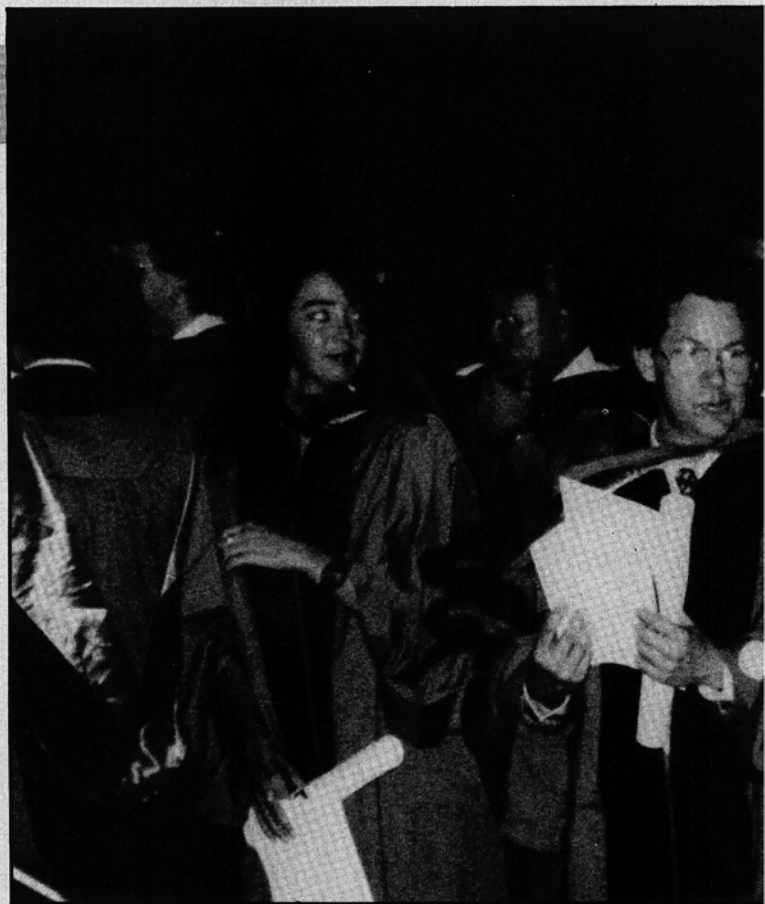

I'm sure you have heard all the lawyer jokes, and whether or not they offend you or make you laugh, you have to realize the magnitude of your accomplishment. After all, they are only jokes, and you have accomplished something many other people could not have. You have just completed law school, and you are now about to go out into the real world to make it a better place for all of us to live in. Simply ignore all the comments or laugh them off, and keep your goals in sight. Never stop once you have reached a goal, simply set the next one higher.

Your law diploma is a symbol of all that is yet to come. You have graduated from a special way of life and are approaching the beginning of a life with many new responsibilities, hopes, and even problems. Graduation is the hope for

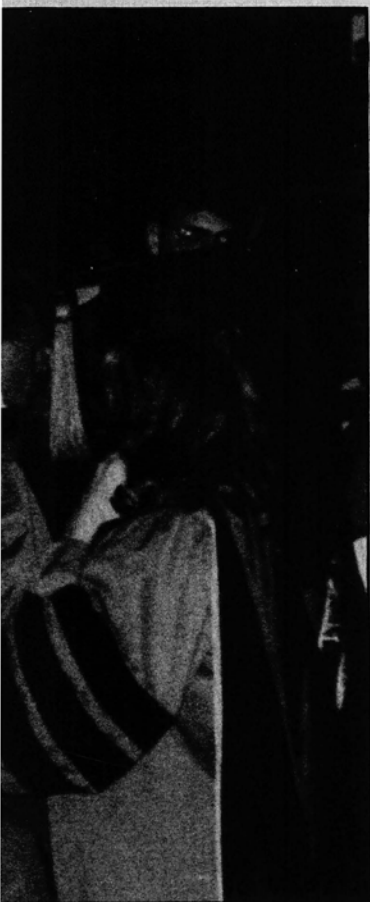

The joy of finally being out of school is a tremendous emotion for anyone to handle (Photo by: Staff).

the future. You are a select group of people that have been able to accomplish graduation more than once. You have come from all different geographical areas, and all different undergraduate backgrounds, but you have joined together to become the Ohio Northern University Law Class of 1994.

As you prepare to take one of the biggest tests in your lives, you must remember not to give up. This will probably be the last studying you will do for a long while if not ever, so do your best and make all of us at Ohio Northern University proud.

CAREER CHANGE

UNDERGRAD COMMENCEMENT

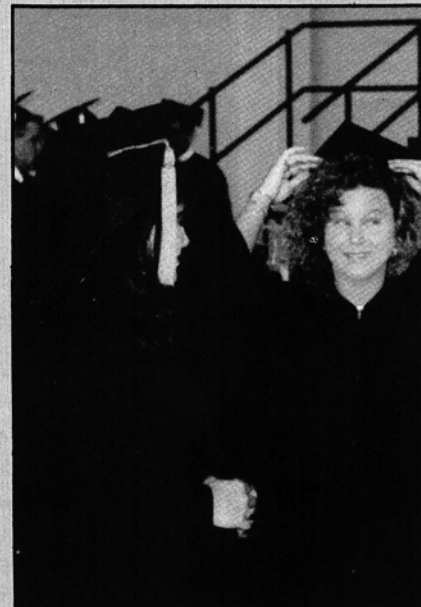

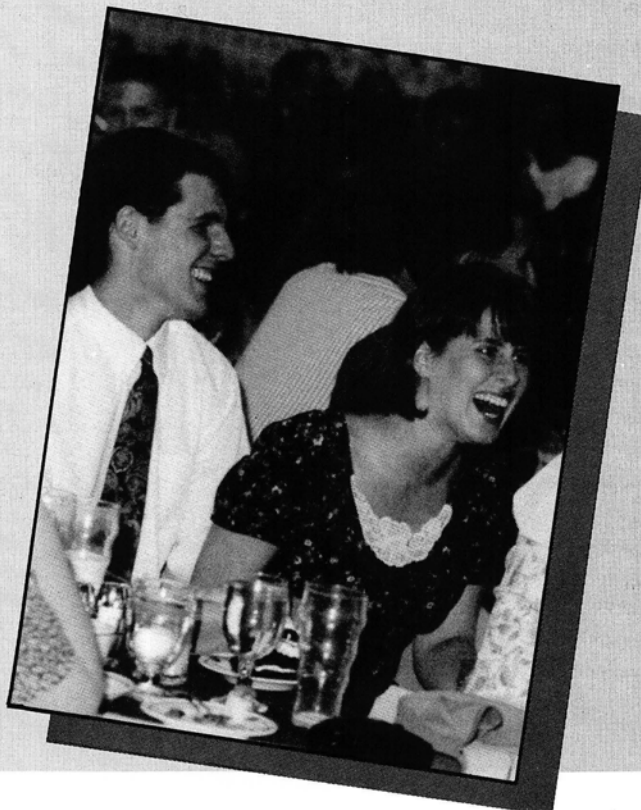

No matter how many times we may have said to ourselves: "I am so sick of this place, and can't wait to leave," when graduation time comes, you suddenly get a different feeling about the whole situation. Whether or not you shed a tear or jumped for joy, no one was too excited about leaving the good friends they made during their years at O.N.U. You are now separated from all that you have become familiar with the past four or five years, but thanks to college friendships, we manage to keep the phone companies in business.

As you head out into the real world and begin your new job, remember the things you have learned at O.N.U., and maybe you can help make the world a better place. Some impressive people have graduated from Ohio Northern University, and

you are one of the many that will help other people notice the high quality of an O.N.U. education

In the future I'm sure you will return to Ada and good ole O.N.U., but will things ever be the same? You will no longer be the same person you were at graduation time. Through the years, as your responsibilities increase and your accomplishments accumulate, you will change - and hopefully for the better. Use your years here as a stepping stone to what ever you want to do, and never forget your goals because we have faith in you and know you can accomplish anything.

Varsity Football

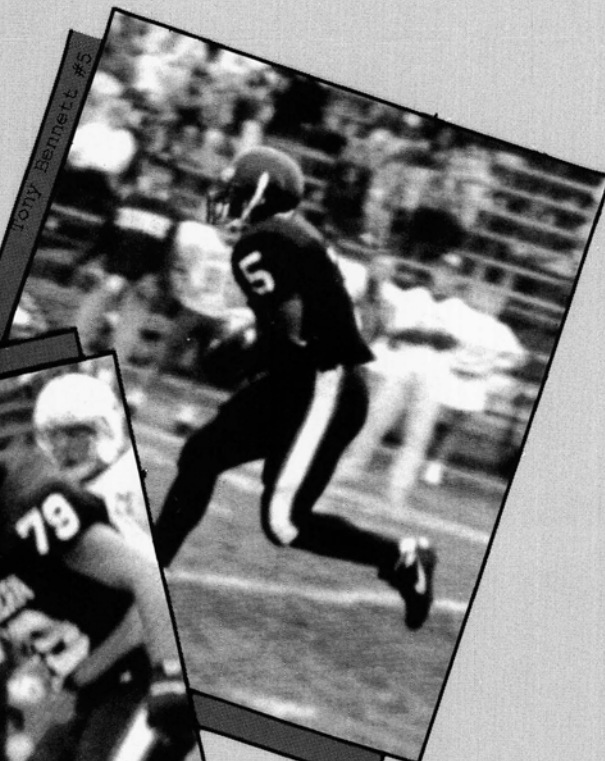

2nd Winning Season

The 1993 ONU Varsity Football team completed its second consecutive winning season this year with a record of 5-4-1 after its 6-4 season last year, for the first time since 1982-83. The successful season began with three wins in a row against Bluffton, 26-7, Marietta, 23-0, and Otterbein, 41-16. Long time OAC rival John Carroll was next on the schedule and the bears chose a close fight but ended up behind on the scoreboard, 30-24 at the end. Muskingum, another OAC contender, pushed ONU but the Bears pushed back. Unfortunately both teams met equally and so the score did the same, giving the bears their only tie of the season 21-21. ONU stormed into its next game against Hiram and demolished them by a score of 84-13 in front of a packed Homecoming Game stadium.

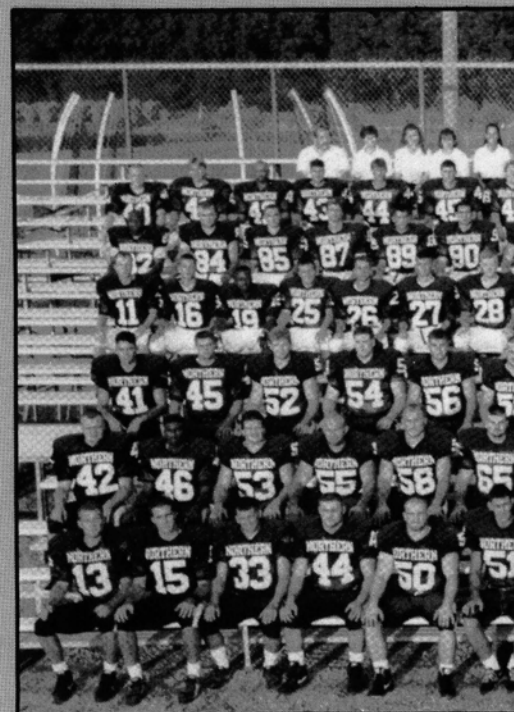

They then lost to the OAC's number one ranked team Mt. Union by a score of 49 to 7. The team pulled together to win the next game against Capital before getting defeated by two tough OAC competitors: Baldwin-Wallace, by a score of 62-19 and Heidelberg by a very close score of 33-34. In the last game of the season Freshman Josh Perkins rushed for a career high 168 yds on 22 carries and scored three touchdowns, his last score capped a 54-yard drive to pull ONU within the final margin after having their attempted two point conversion stopped with 27 seconds left to play. The bears ended their season 5-4-1 overall and 4-4-1 in the OAC for fifth place in league standings behind Mt. Union (9-0), B-W ((8-1), Heidelberg (7-2) and John Carroll (5-4).

Volleyball

Finishes Season Strongly

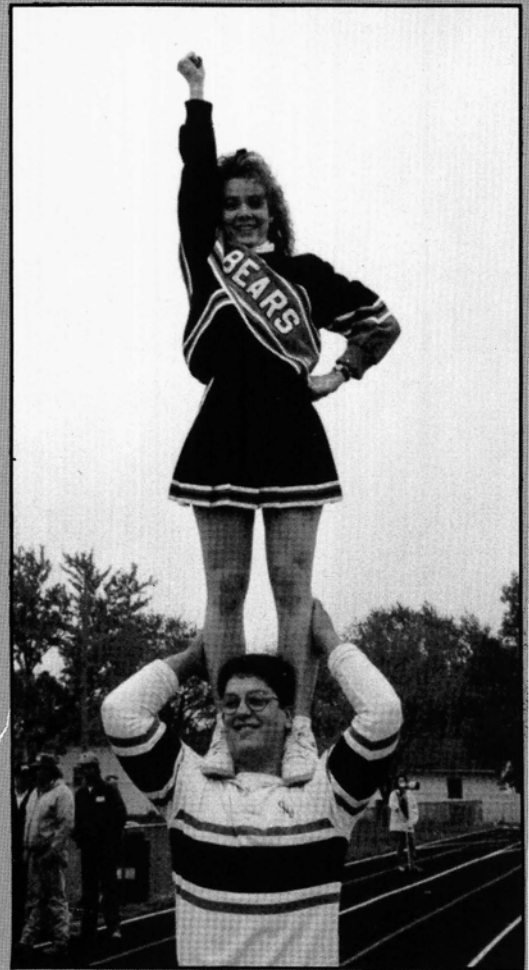

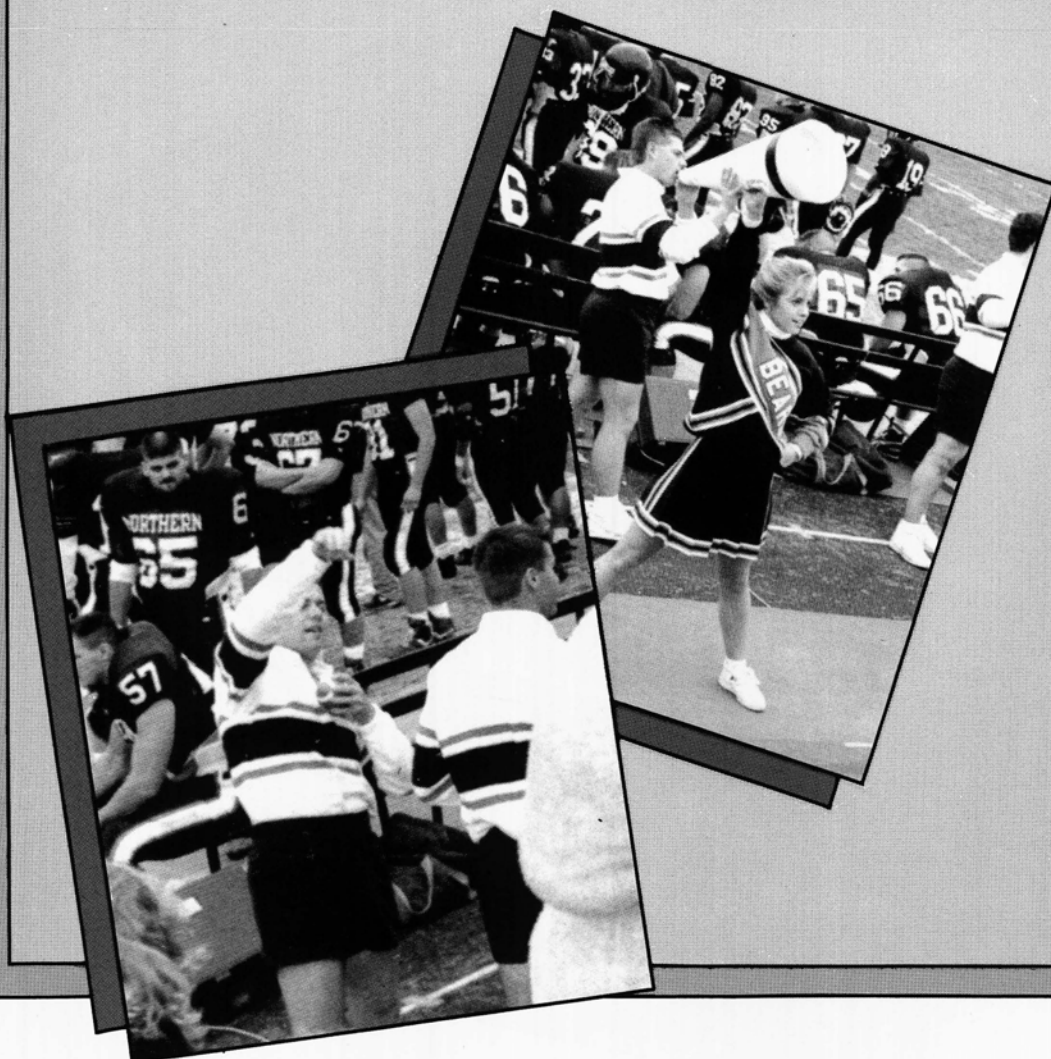

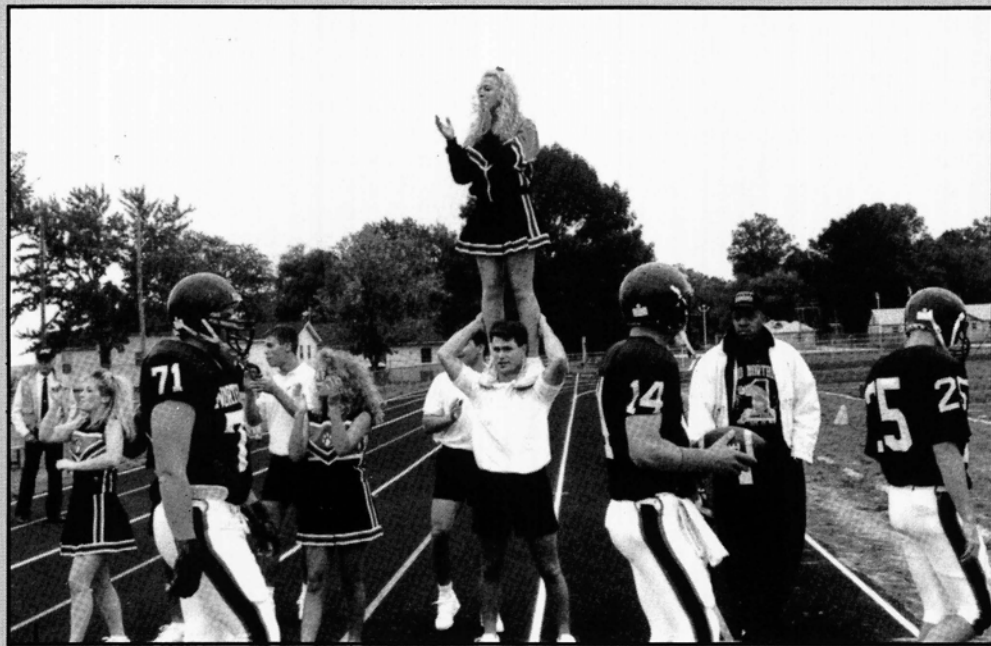

This years season can be called nothing short of spectacular. With a 25-13 overall record, and a 7-2 record in the OAC for third place, these lady bears have many things to be proud of. It all began at the Baldwin-Wallace Inv. where they won 3 of their 5 games against some very tough competition to place 9th out of the 14 teams in attendance. At the Washington National Inv. the bears could only muster one win against the strong teams but they did not let that affect their team play in the least because they came back the following week at their home invitational and were only defeated by one team, Calvin, taking ahold of 1st place against all 6 teams. With their confidence built from that the lady bears were able to continue their strong defensive and offensive games in the ASICS Inv. and lose

only two very tough games to finish 3rd out of twenty teams. In the OAC Quarterfinals ONU faced Capital and were not phased by them, defeating the team in the first three games. Muskingum came up in the semi-finals and the bears again stuck it out as a team and squeaked by winning the first three very close games. They then faced their toughest rival, John Carroll, and were not quite able to keep up with them, dropping the last 4 games. Their seasonal record was good enough to get them into the 1st round of the NCAA Division III Tournament where the competition was tough against Wittenberg but they handled it well and advanced into the second round. Going on to the regional semi-finals against Thomas More they lost 13-15, 15-4, 15-13, 15-12 to end the season.

Cross country

teams capture winning seasons

This years Cross Country teams proved themselves as OAC powers with outstanding seasons. They began at the Tri State Inv. with the women dominating the competition placing 8 of its members in the top 20 for a 1st place finish. The men however did not fair as well, finishing 5th after losing last years MVP, Jason Hockstok, to an ankle injury. The frosh on the squad stepped up with little experience and took top honors. They then traveled to Michigan for the Siena Heights Inv. where the women placed 3rd behind Div. II Hillsdale and defending OAC champs B-W, despite having 7 girls finish under 21 minutes. Hockstok returned and led the men with a 17th place finish placing the team 6th of 8. In the Heidelberg Inv. the women came in 2nd, 2 pts. behind John Carroll. The men's team finished 4th overall running 11 men

under 30 minutes. At the All- Ohio Inv. the next weekend both teams placed admirably with the women in 3rd and the men 9th of 17 teams. At their home meet both squads showed determination with the women and men placing 2nd and 3rd respectively. To prepare for the OAC Championship these two teams let it all out at the Muskingum Inv. dominating the competition taking home two 1st places. The OAC Championship proved to be challenging allowing the men to place 5th out of 8 teams, qualifying Rob Lydic for Regional action, and a 2nd place finish for the women moving the team on to Regionals. At the NCAA Regional meet the women placed 9th of 18 teams behind the Deiss sisters, Molly and Shelly, who placed 35th and 40th respectively. Lydic placed 137th of 176 runners with a time of 30:01.

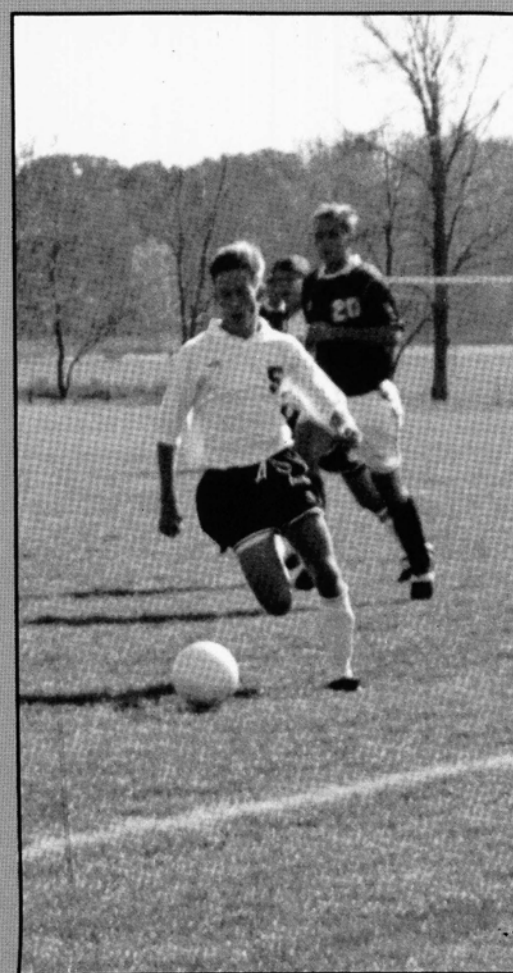

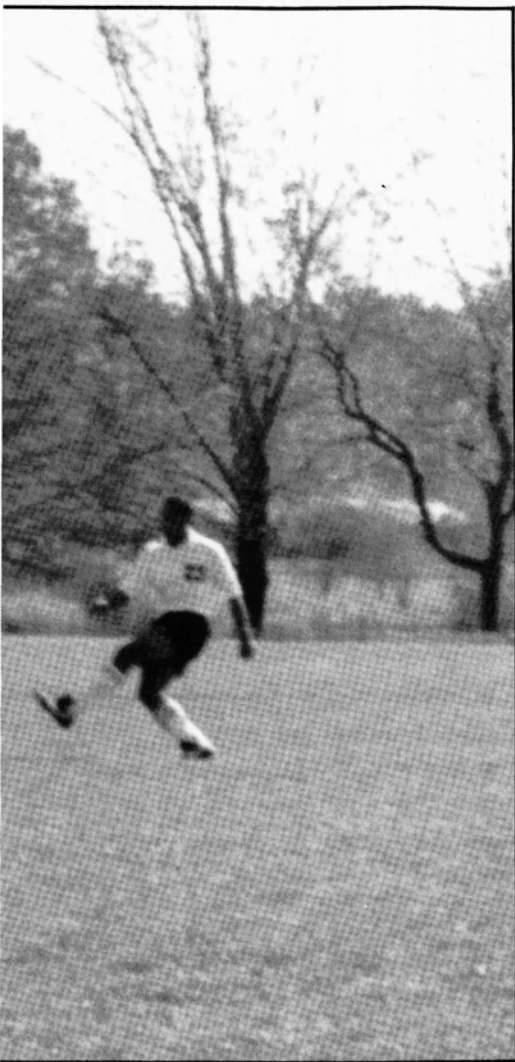

Men's Soccer

has Victorious season

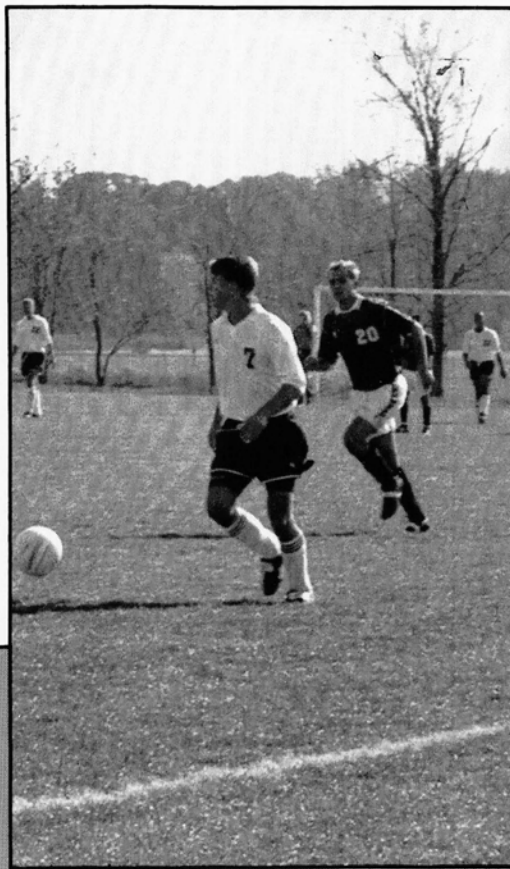

This years Men's soccer team began its season with the ONU Invitational where its first cmpetition was Olivet. They lost that game by 1 point in overtime but were able to come back and defeat Ashland three to one to set the stage for the rest of the season. ONU then defeated its next two opponents, St. Francis and Bluffton before falling to a tough Oberlin club. Again the bears came back but this time to win three in a row verse Defiance, Marietta and Concordia. They then traveled to Otterbein and were defeated by a score of 4-2 in overtime. The roller coaster of a season didn't stay down though and the trip back up was a

great one defeating its next six opponents on the way. The last three games of the regular season were all against tough OAC teams starting with Hiram, which they tied with one to one, then Muskingum who defeated the bears by one , and finally John Carroll who also defeated them three to one. At the OAC Semi-finals the following week the team put everything on the line against Hiram but unfortunately their score was still short, three to two, in OT. The bears finished their season with an impressive 12-6-1 overall record, and 5-3-1 in the OAC for third place.

Women's Soccer

Makes it to OAC Championships

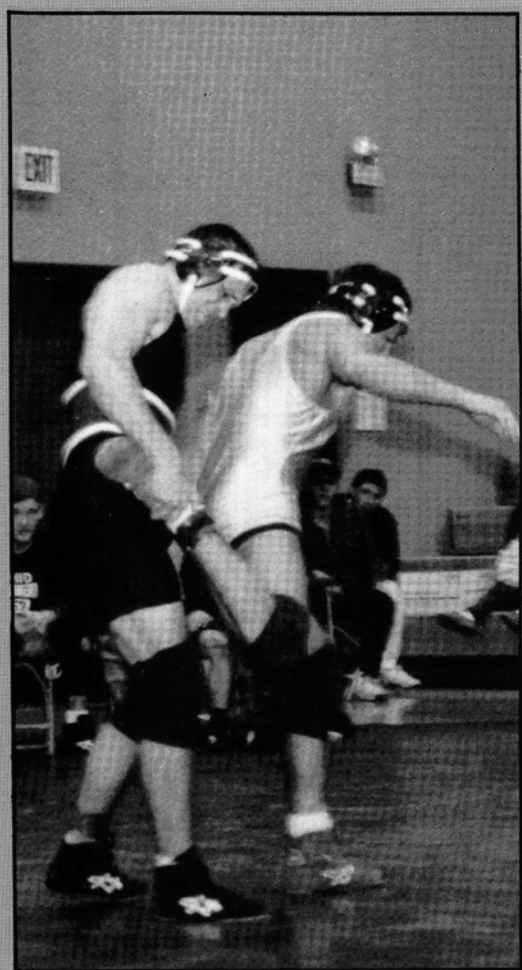

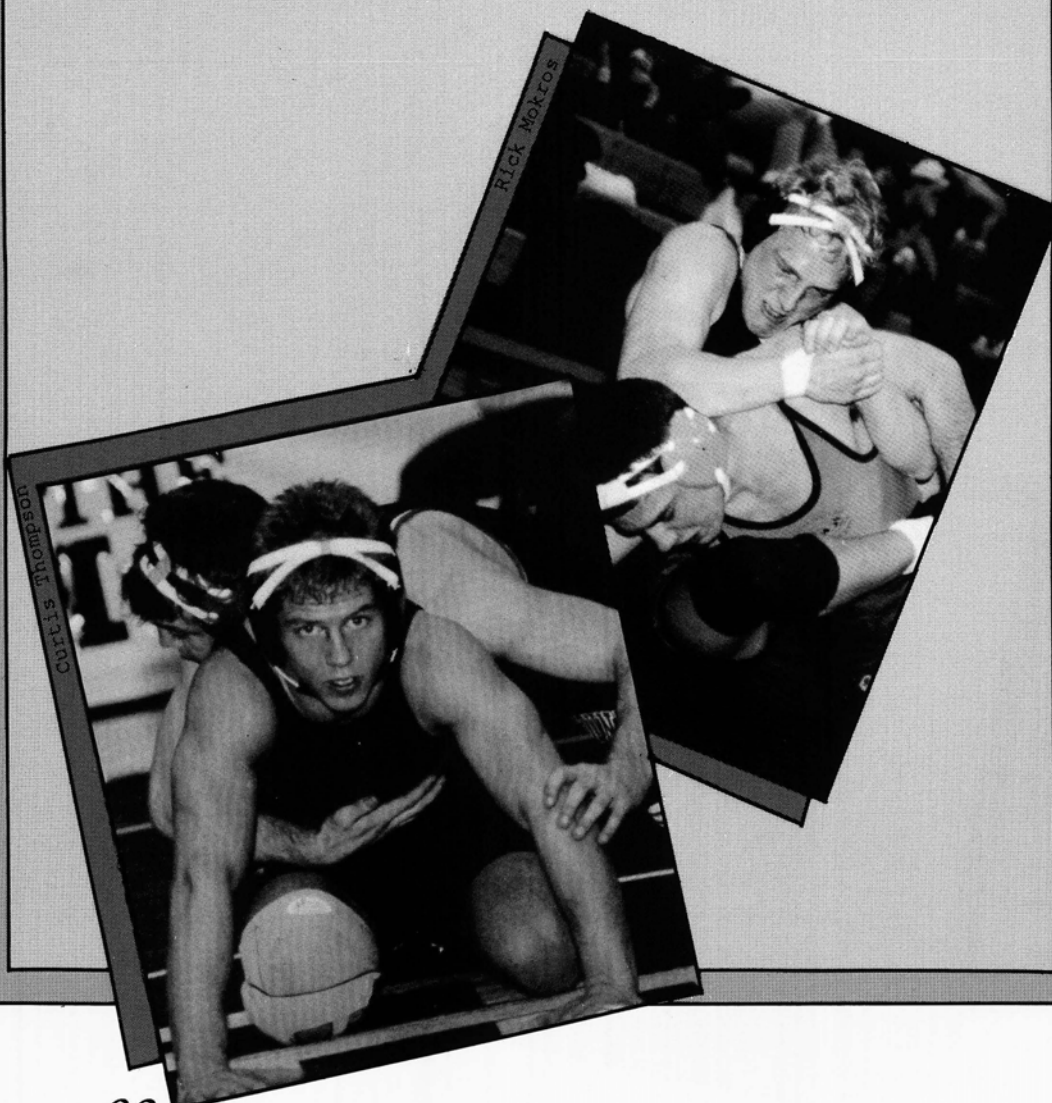

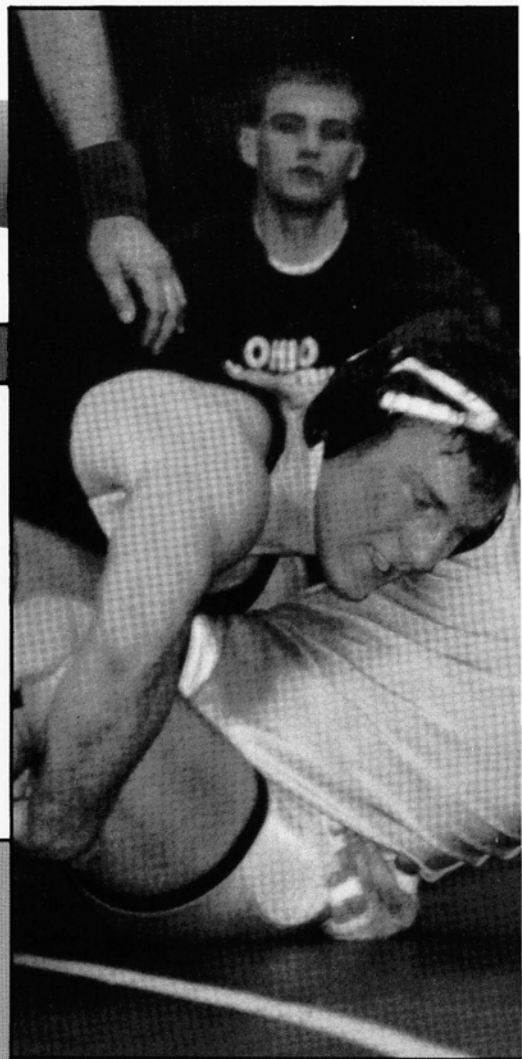

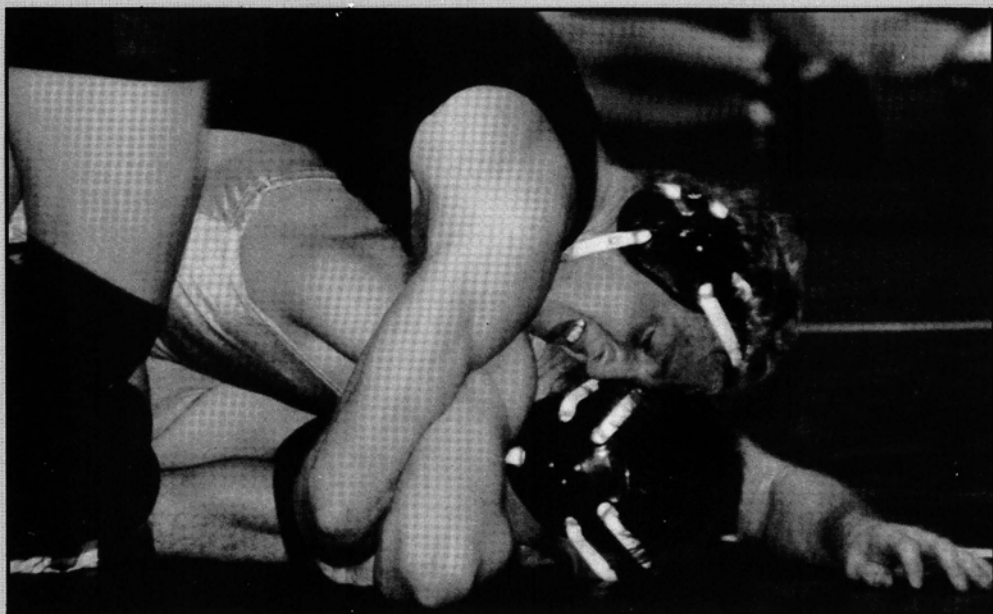

This years women's soccer team began its season with a tough game vs Earlham but were able to pull out an early win with a score of two to one in overtime. They then faced Tri-State and also came out on top three to nothing. The next match with Tiffin was a difficult one and the lady bears fell 2-0 but were able to bouch back on their next three opponents, Marietta, Walsh and Otterbein, for three more "W's" in the win column. Kenyon defeated ONU the next game, 2-0, but against Ohio Wesleyan the next day the bears won another, 1-0. The lady bears then fell into a slight slump and were only able to win one out of their next five games but they then came back and what a comeback it was. They smashed Bluffton nine to nothing with six members of the team scoring goals, and another five carrying assists. They then killed

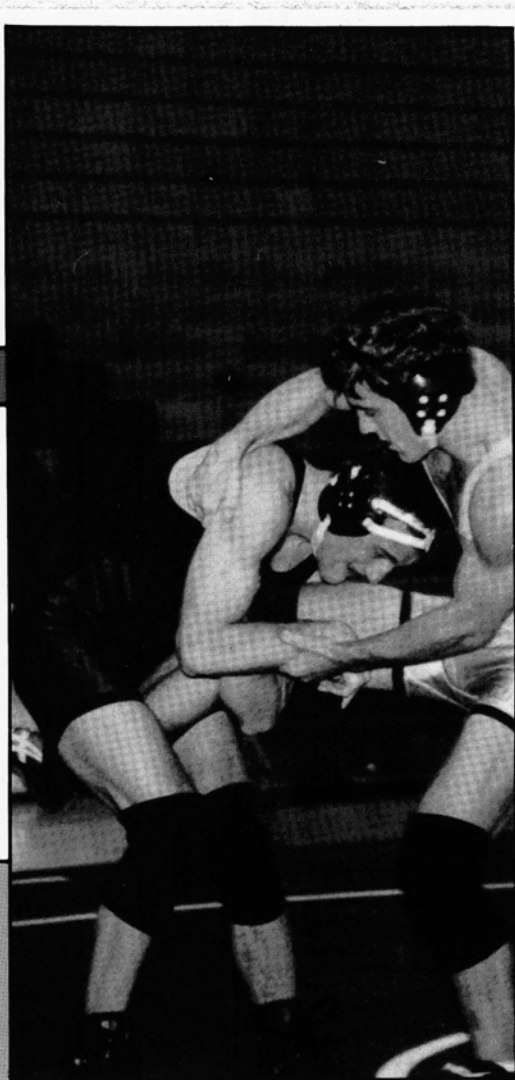

Hiram 5-1, and continued their rampage by defeating Adrian 3-0, Muskingum 2-0 in overtime, and OAC rival John Carroll 2-0 before heading into the OAC Semi-Finals. They were matched up against Capital the first game and were able to easily defeat them 3-1 with Kelli Bricker scoring all of the ONU goals. During the final match-up of the season Heidelberg proved itself too much to handle and the bears were not able to keep up leaving the final score 3-1 with freshman Julie McDaniel scoring the only ONU goal and sophomore Gina Fall adding 20 more saves to her already impressive total. The Lady Bears ended their season with a great 13-7 overall record, and 6-3 record in the OAC, for third place during regular season play and second place tournament.

M en's Basketball

face tough season with high hope

This years men's basketball season has to follow in the tough tracks of the Division III Polar Bear champs of the year before. Before narrowly edging out Defiance in their season opener 58-54 the bears could not pull a win together at the Alaska-Fairbanks Tourn. They followed up their first win with distressing losses to Bluffton College 55-46 and Baldwin-Wallace 69-50. Despite the losses and the role changes the team remained optimistic and were able to defeat its next three OAC rivals, Muskingum, John Carroll and Hiram, behind senior D'Artis Jones' combined 48 points. The Wooster Classic followed and with the momentum in their favor the bears came away champions by defeating Grove City in the semi-finals 81-67 and Wooster in the finals by a close score of 58-57. A tough Heidelberg

squad was faced next and the bears fell to defeat 61-64 but again came back to defeat their next three competitions vs. Mt. Union, Capital and Marietta. In the last two games Jones and Sophomore Nick Bertke, combined for 103 points and 44 rebounds. They were then defeated by Otterbein and John Carroll before conquering Muskingum 60-72, along with the win came the loss of Jones to a knee injury. Despite a galian effort by Greg Smith, leading the team with 16 points and 10 rebounds the Bears were also defeated by Baldwin-Wallace. Heidelberg and Hiram came out on top in the next match-ups but ONU defeated Capital, Mt. Union and Marietta to finish out the season, with a close lose to Otterbein 87-84 in OT. The OAC tournament was ended quickly with a loss to Otterbein 88-70.

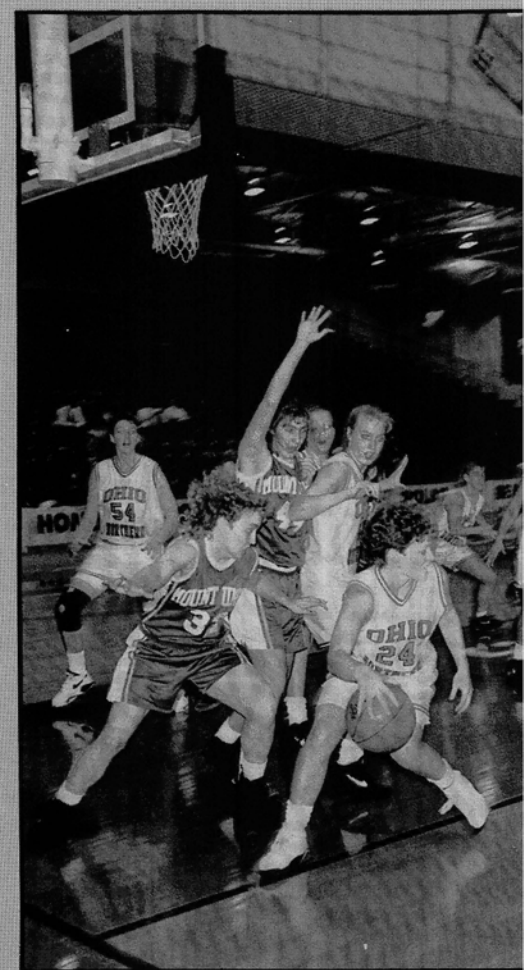

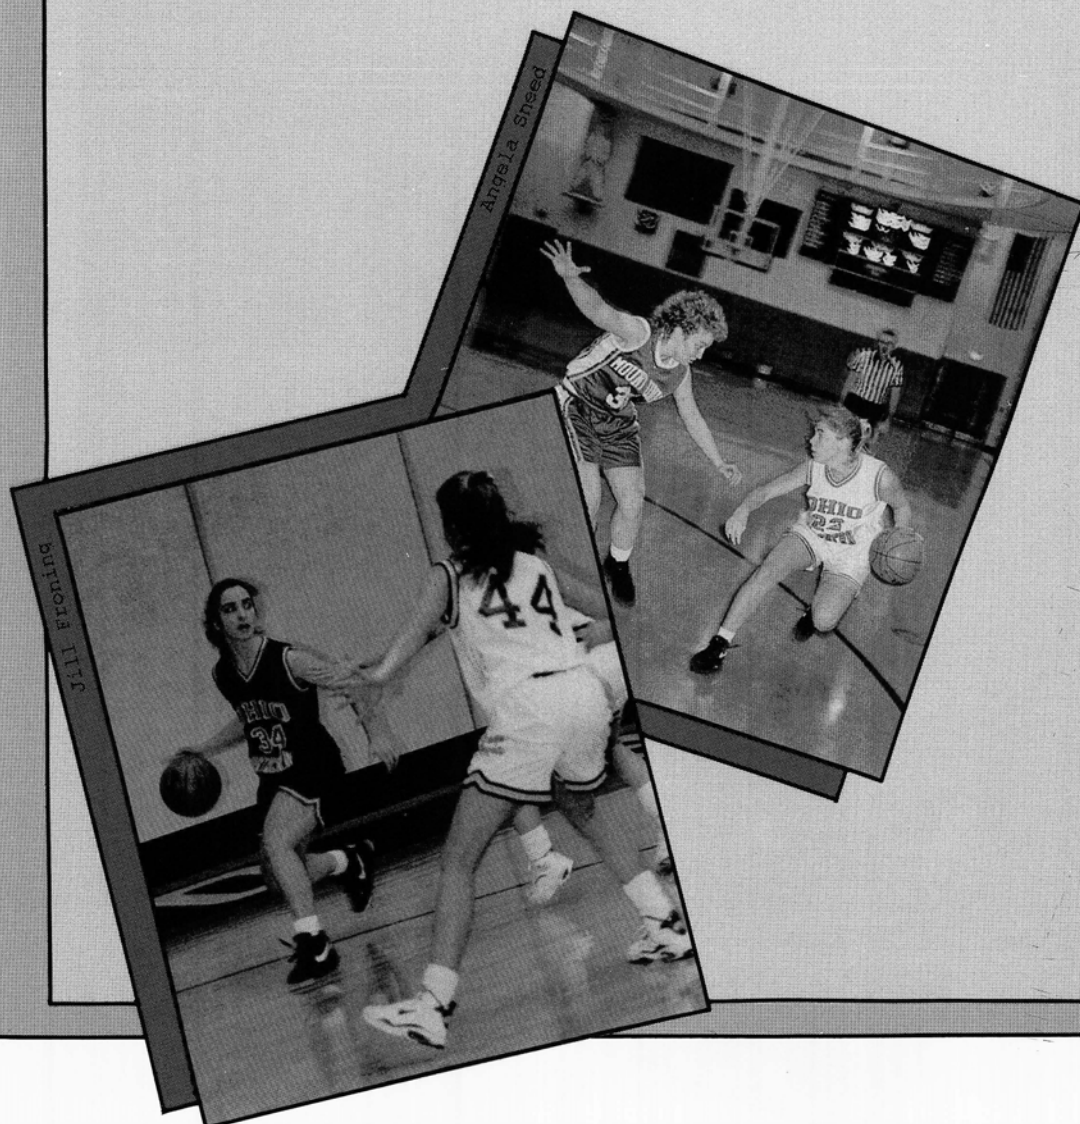

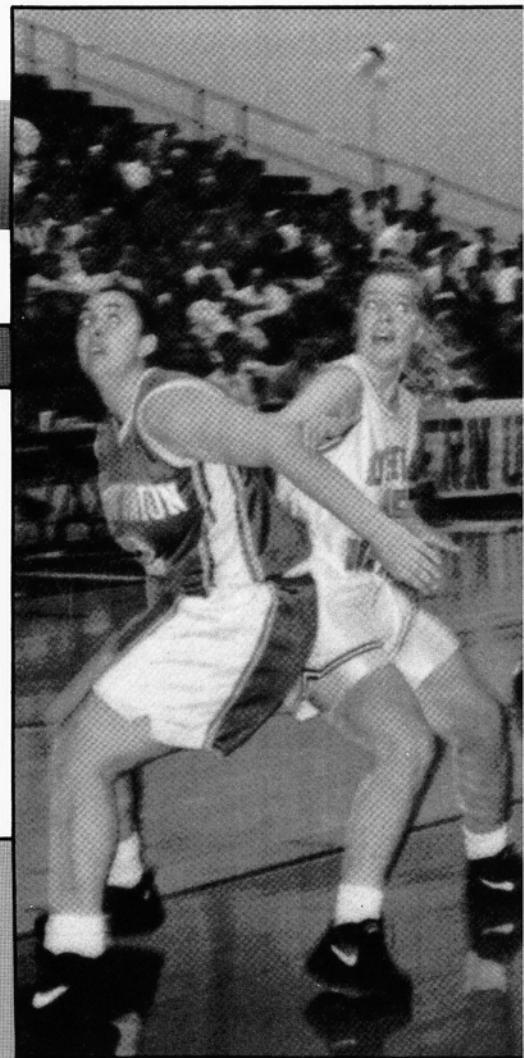

Women's Basketball

Complete aggressive season

After splitting a couple of games at Buffalo State, NY, the Lady Bears dropped a fast paced shoot-out to Adrian College, 71-68. Four OAC contenders were next on the schedule and this aggressive team was able to defeat two of the four, Baldwin-Wallace 50-48 and Hiram 64-56. Unfortunately the preceding schedule was tough and the next seven games were lost, two of which were in overtime against Manchester College and West Liberty and the last a closed game against Marietta due to a missed last second three point attempt. Their next win came against long time rival Otterbein where they squeaked past them 59-56 and played the intense, aggressive fast-paced game they had been striving for.

The next match up with John Carroll was too much for the Bears and they were defeated 52-61 but again were able to pull together as a team and bounce back to beat Muskingum 64-57. Baldwin-Wallace defeated them in the next game 65-71 and they then faced third in the OAC, Heidelberg, and defeated them 65-62. They were not able to do it again the rest of the regular season. They fell to Hiram, Capital, Mt. Union, Otterbein and Marietta due to foul trouble and lack of rebounding despite a very strong shooting percentage. In OAC tournament match-ups they faced Marietta again and just weren't able to pull it together ending the season with a loss of 50-58. Their record was 6-19 overall and 5-13 in the OAC.

Swimming & diving

Success in men and women

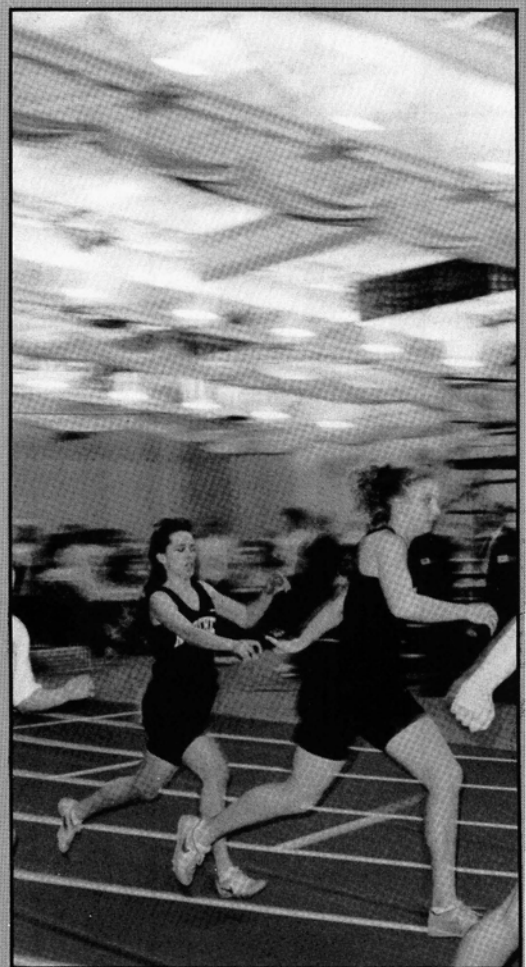

This years Men's and Women's swimming and diving teams both faced tough seasons with little depth and many inexperienced swimmers, but they never gave up and continued to push themselves as a team up till the end. The season began with a meet against Grand Valley State where both teams were defeated but also gained insight of what the rest of season was going to be like. The Centre meet was next on the schedule and again the bears were not able to pull themselves together to win but swam very aggressively. At their first OAC meet with Baldwin-Wallace both teams knew they were in for some tough competition, and prepared themselves well. Despite the loss they achieved a great deal of experience and confidence. The

freshman swimmers led both squads at the Indianapolis Invitational which followed. The invitational hosted competition from 11 different schools, and only the top eight finishers in each event scored points, and the bears and lady bears finished tenth and sixth respectively. Cary Gunning led the women's team by scoring ten individual points of the teams total 32 points. In a dual meet with OAC competitors Mt. Union and John Carroll, both teams found themselves behind at the end of the meet. The following week against Hiram was a close match up but the bears again fell short. the OAC Championship was next and both teams placed fifth out of the five teams in attendance.

Golf

Working as a Team

Ohio Northern University's golf team finished the season 4th out of 10 at the OAC tournament and with a 1-0 dual record.

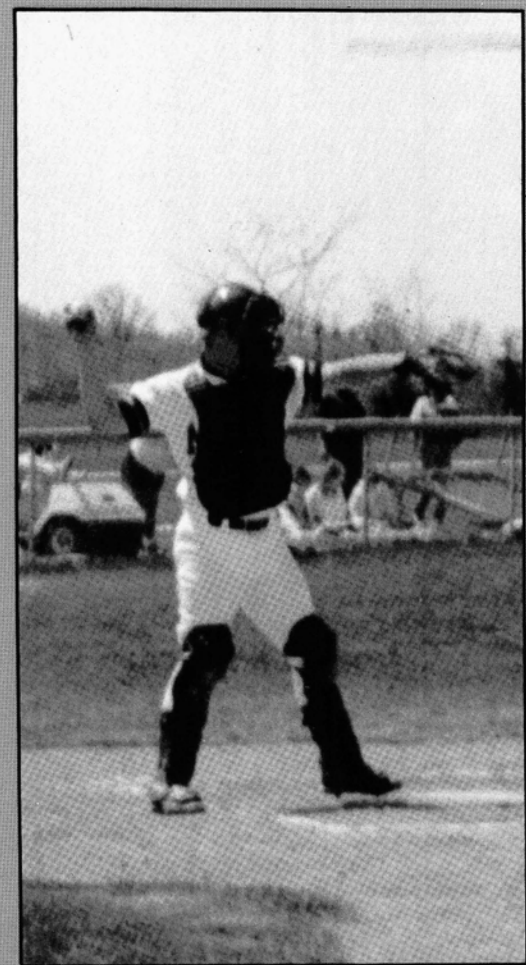

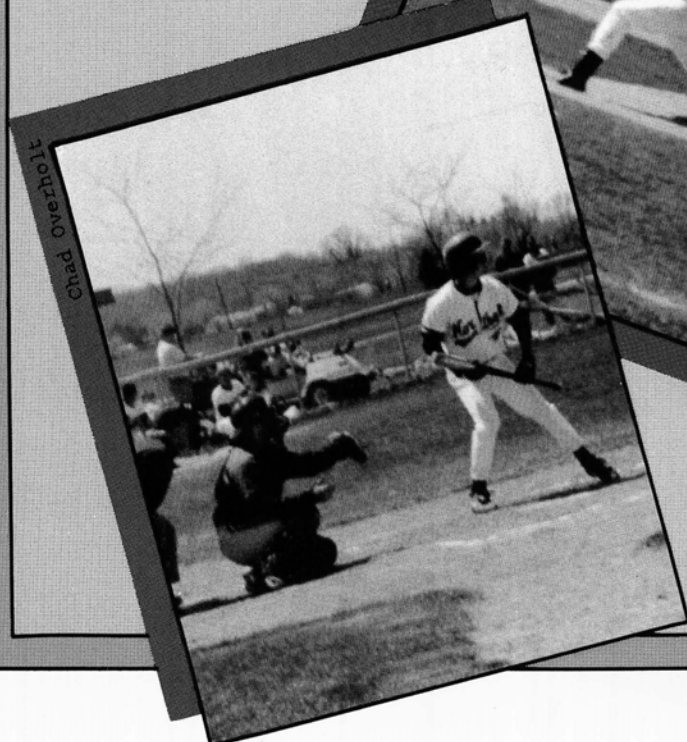

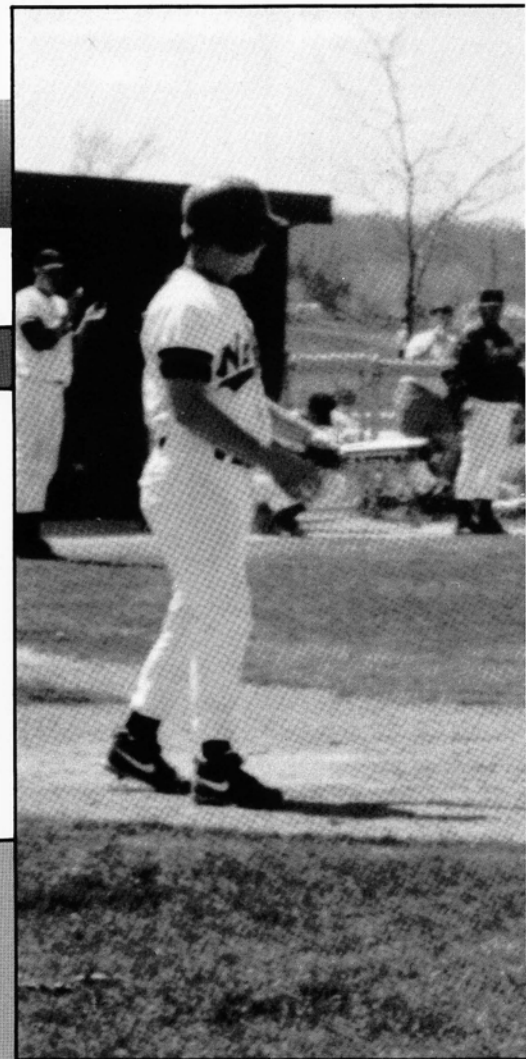

As the team traveled to different courses, they didn't fair as well as they did on home turf. At the ONU Invationals, the polar bears finished behind the Findlay team, with a strong performance by top golfers Andrew Goddard and Steve Erlenbach.

When a person thinks of an athletic sport, golf is probably not the first thing that comes to mind. However, these guys have to practice just as hard as any other sport. Whether the team finished as well as they wanted to or not, ONU is proud of a 4th place OAC finish.

Freshman, Pharmacy

I decided to come to ONU because of the beautiful campus and the thought of social and academic freedom. The two most important reasons that I decided to come here are the excellent education I hope to get and the wonderful friends I have made and the numerous people I have met.

Christy Schunatz

Freshman, Psychology/
Criminal Justice

When I came to ONU I didn't know anyone and was scared that I would never meet anyone. I was surprised by how friendly everyone was and I instantly met the girls that were to become my closest friends. I like it here at ONU because of the friends I made and the memories I will have.

A Place To Call Your Own

Emily Frazier

Freshman, Musical Theatre/
Broadcasting

I like to get up every morning at 7 a.m. and walk the green monster with my best friend, Lynda. Saga (sorry Marriott) . . . enough said. All the labeled trees are nice. Most of all we enjoy an atmosphere where students can freely use the word bludgeon without feeling persecuted. Go ONU! I love you!

Amy Armstrong

Freshman, Pharmacy

Life here at ONU has an increased chance of becoming dull due to the small town atmosphere; but friends keep the days moving swiftly, so life does not become too stagnant. Friends always provide comic relief when school gets a little demanding and often tease about your more embarrassing moments of college life. Making life-long friends is the main reasoning for coming to college here at ONU.

Lori Burgett

Sophomore, Civil
Engineering

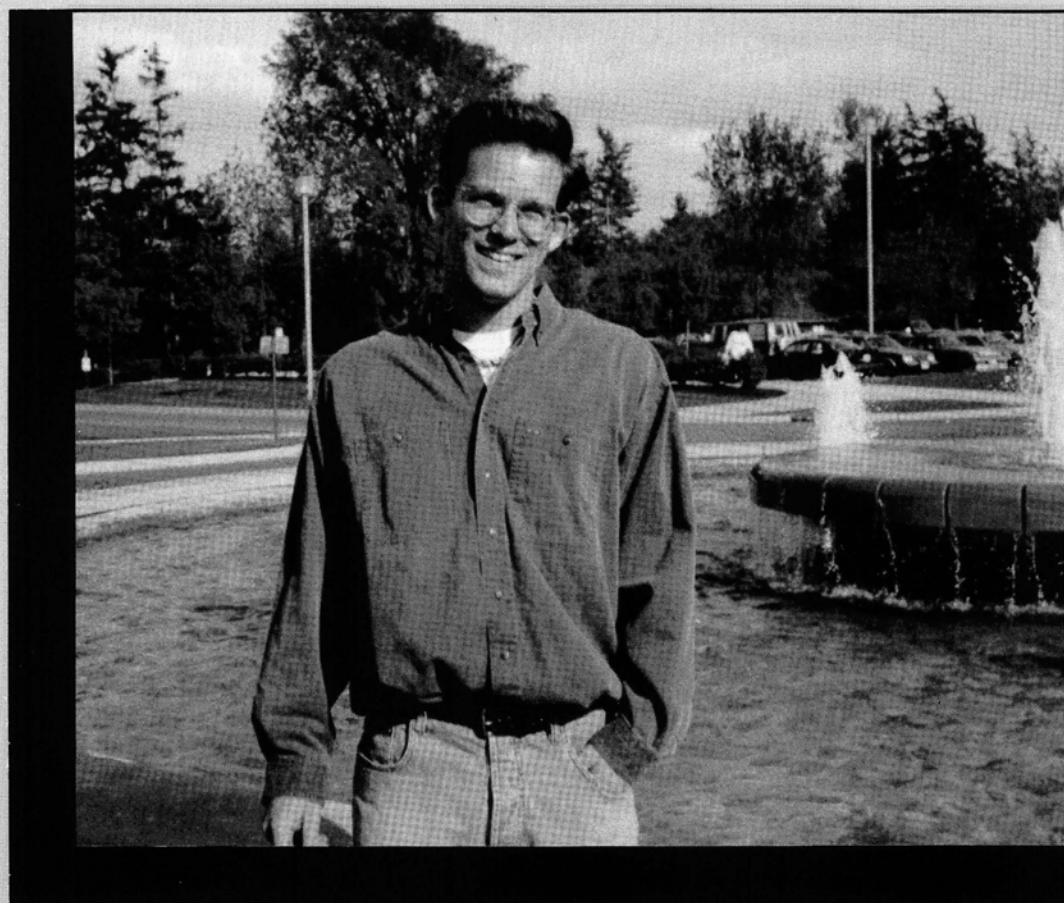

My sophomore year will always be memorable to me because I am a part of a great group of sisters who established a new chapter of Kappa Alpha Theta at ONU. The friends I have made in this sorority as well as the other friends I have made here at ONU will be part of my life forever.

Chad Martin

Sophomore, Pharmacy

While everyone has stories about their worst professors, all night study sessions, or spring break trips, not everyone can tell about their pledging experience. Take 20 guys who barely know each other and teach them to work, live, and play together and you have a pledge class. The time I spent as a pledge will always be one of my most memorable times here at ONU.

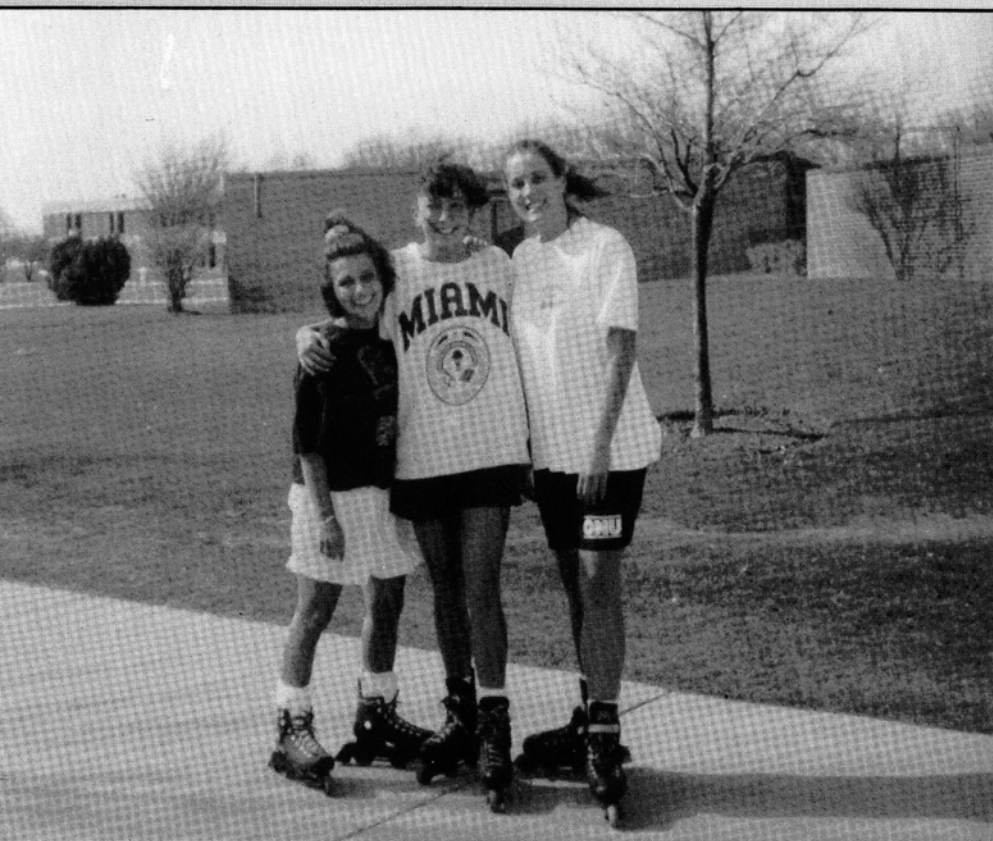

Ohio Northern University

Al Marez

Junior, Accounting/
Finance

I remember going to Buffalo last year for the Basketball National Championship. It was great to see our team win it all. The games were fun because our crowds were so rowdy and it was also fun after the games because everyone stayed in the same hotel. The whole weekend was really fun.

Melissa Scarborough

Junior, Sports Management/
Finance

ONU gave me the opportunity to make friends that I will keep for a lifetime. ONU has enabled some of my friends to become sisters of Theta that I will feel a bond to forever. Being an athlete, the Athletic Department allows me to continue my enthusiastic participation with my favorite sport--soccer. I definitely will not leave out the professors that have helped me achieve academic success.

Renae Thomas

Senior, Criminal Justice

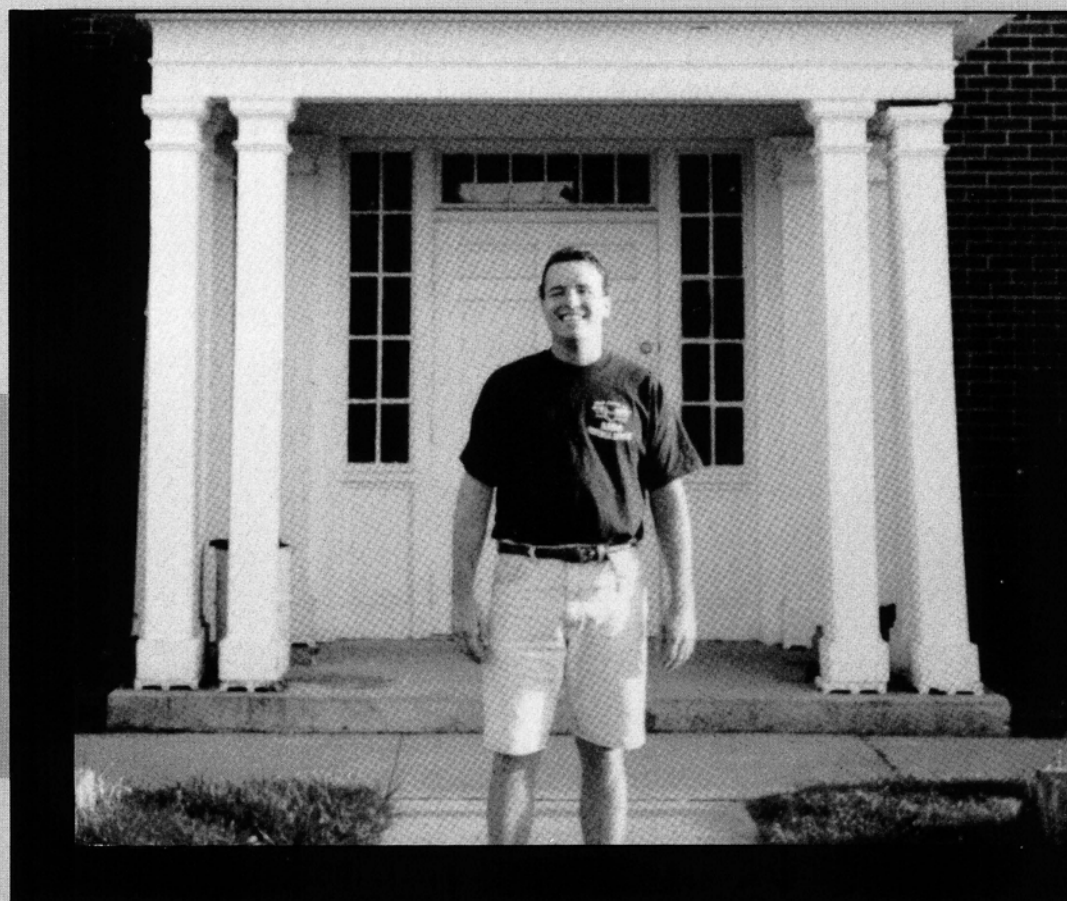

What I like most about ONU is spending time with my friends and sharing memories and good times.

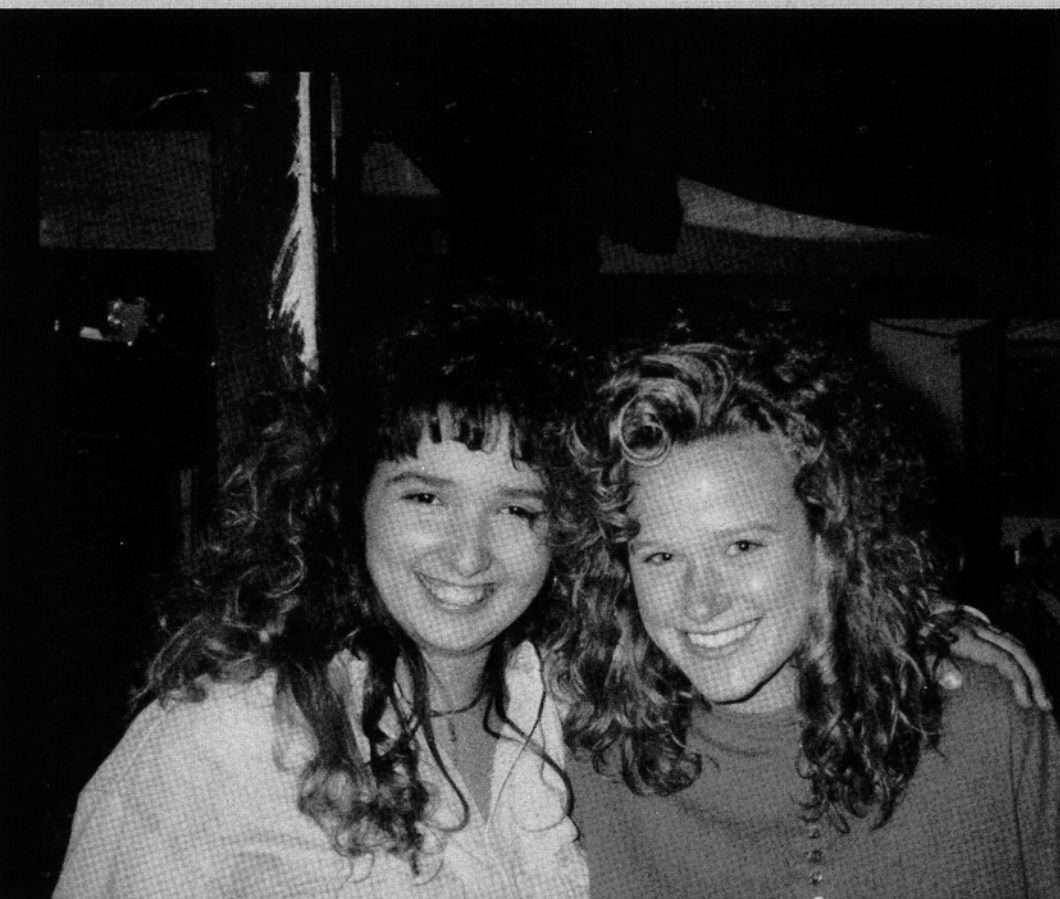

Brian Haemmerle

Senior, Mechanical Engineering

When I think about ONU, I think about the same things everyone else does, friends, classes, and and all the fun times. I've had more than my share of all of these, especially classes. But, what sticks in my mind is how I've grown as a person. ONU has been the place where I gained an education, in engineering, and life.

Ohio Northern University

Sherry Davis

Senior, Psychology /
Criminal Justice

The past four years at Ohio Northern University cannot be described by one special memory, rather it is composed of many special ones that have made my stay here feel like a home away from home. The everlasting friendships that we have all formed here at Ohio Northern will last us a lifetime. They are the ties that bind us forever to our years here at ONU, and I will never forget them.

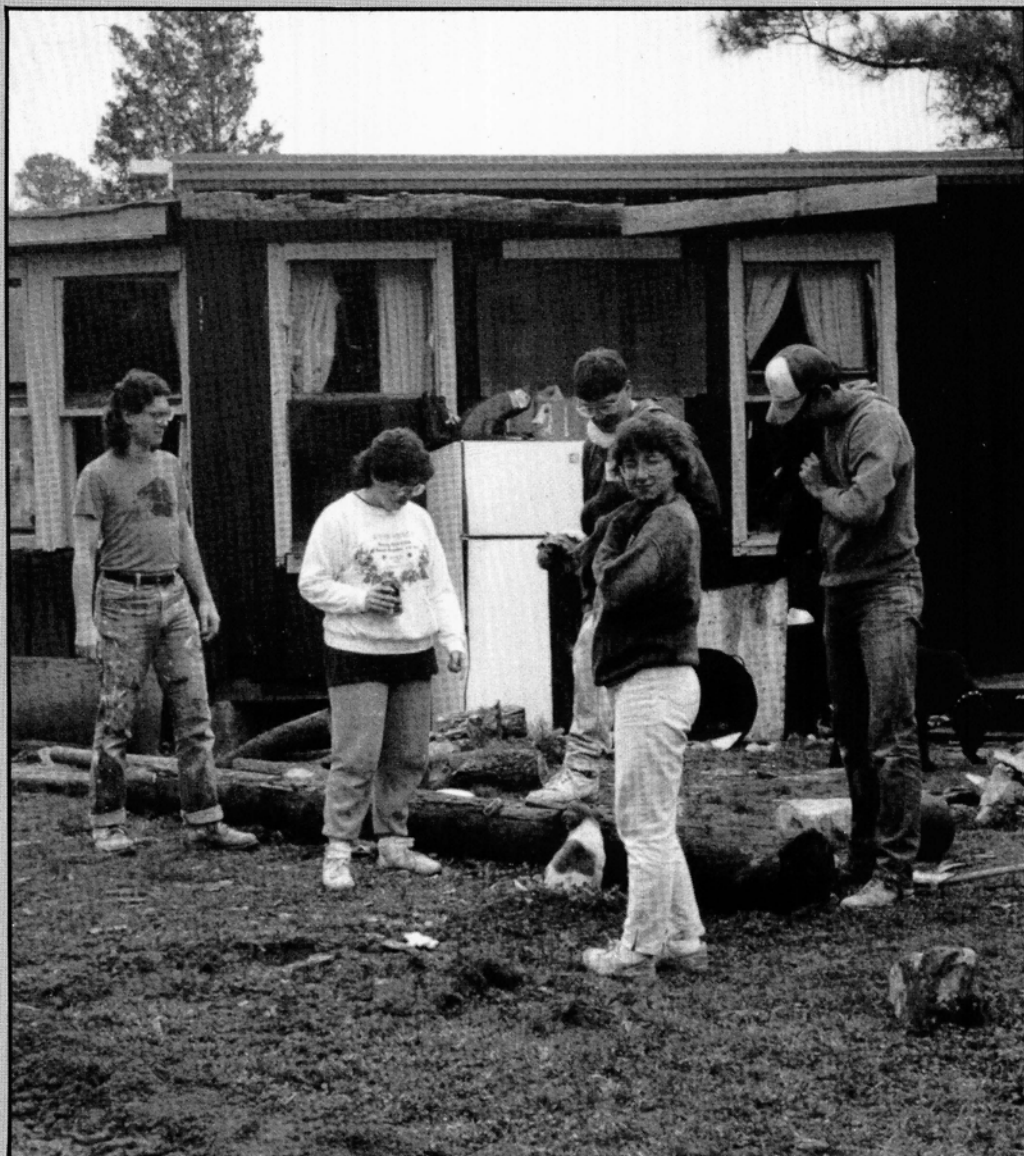

Jenni Gilberg

Senior, Accounting/
Finance

My experience here at Ohio Northern has been a time of growth and learning, both academically and socially. It was a chance to develop friendships and memories that will last a lifetime.

A World to Call Your Own

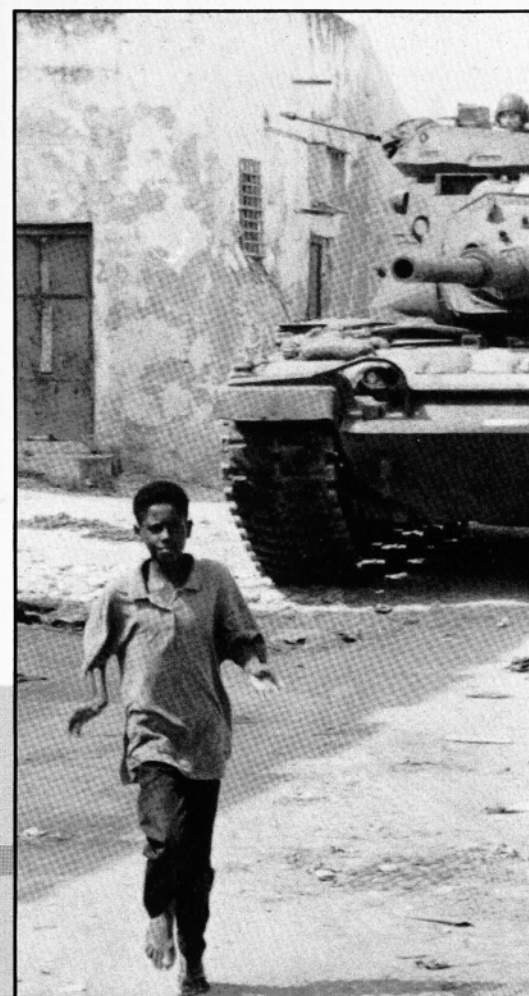

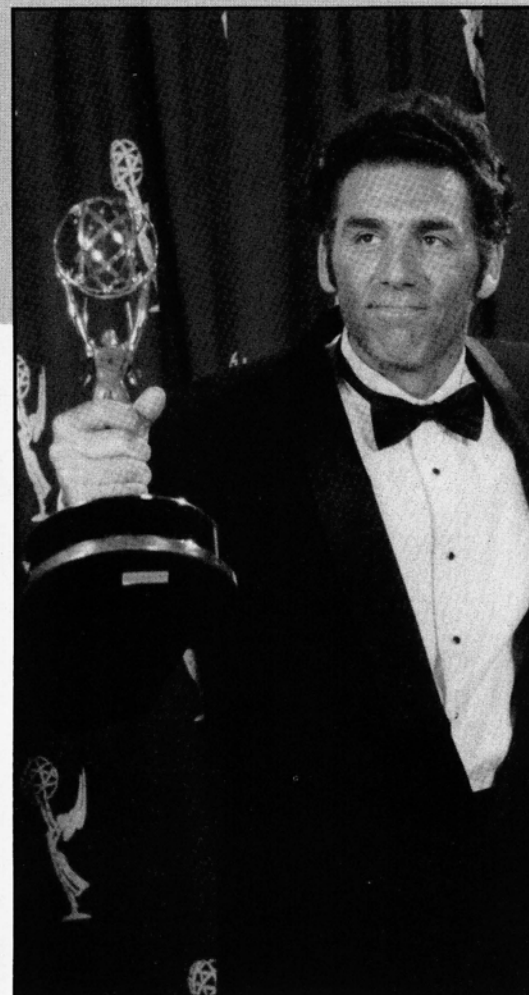

Current Events

MICHAEL JORDAN

One of the biggest stories of the 1993-1994 basketball season occurred before the first pre-season exhibition game -- Michael Jordan, the world's best basketball player and one of its most famous athletes, announced his retirement. Jordan's retirement came after he had led the Chicago Bulls to three straight National Basketball Association championships, the most

recent a victory over the Phoenix Suns in the 1993 finals. His departure, which Jordan announced at a news conference on Oct. 6, 1993, stripped the league of its most recognizable name and robbed it of a breathtaking acrobat who led the NBA in scoring the last seven years. "The thrill is gone. I've done it all. There's nothing left for me to do," Jordan told a reporter the night before his formal announcement.

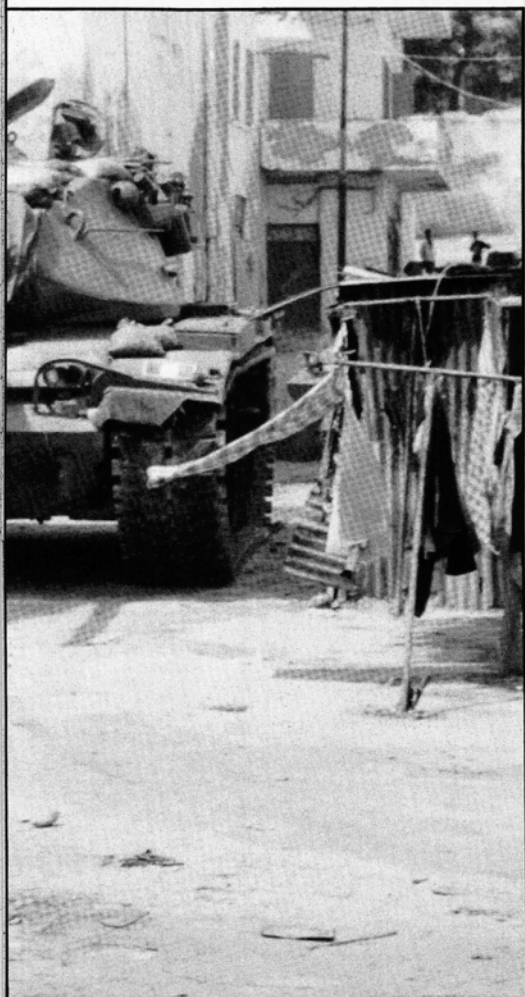

SEINFELD

The show started off as an upstart, but by the time they finished handing out the prime time Emmy Awards on Sept. 29, 1993, "Seinfeld" was a member of the sitcom Old Boys Club. The NBC program took home three trophies. "Seinfeld," which features the comic misadventures of the New York comedian and his friends, was named best comedy series. Michael Richards, who plays the show's self-obsessed Kramer, won as best supporting actor in a comedy. Writer Larry David was honored for an episode entitled "The Contest." Asked about critics' complaints that "Seinfeld" is a show about nothing, he said: "It's a show about everything. That's the same as nothing."

CIVIL WAR IN BOSNIA

The civil war in what was once Yugoslavia moved through its second year at terrible human cost; as many as 200,000 people were dead or missing, including 10 United Nations relief workers who died by October. The 18-month-old civil war began in 1992 when Serbs rebelled over a vote by the republic's Muslims and Croats to secede from Serb-dominated Yugoslavia and form two separate governments. Croatia and Muslim-dominated Bosnia-Herzegovina initially allied against the more powerful Serbs, but their alliance dissolved amidst bitter turf battles between Croats and Muslims in the second half of 1993. Much of the attention in the barbaric war centered on Sarajevo, the long-suffering Bosnian capital under siege by the Serbs. But life in other communities was even harder.

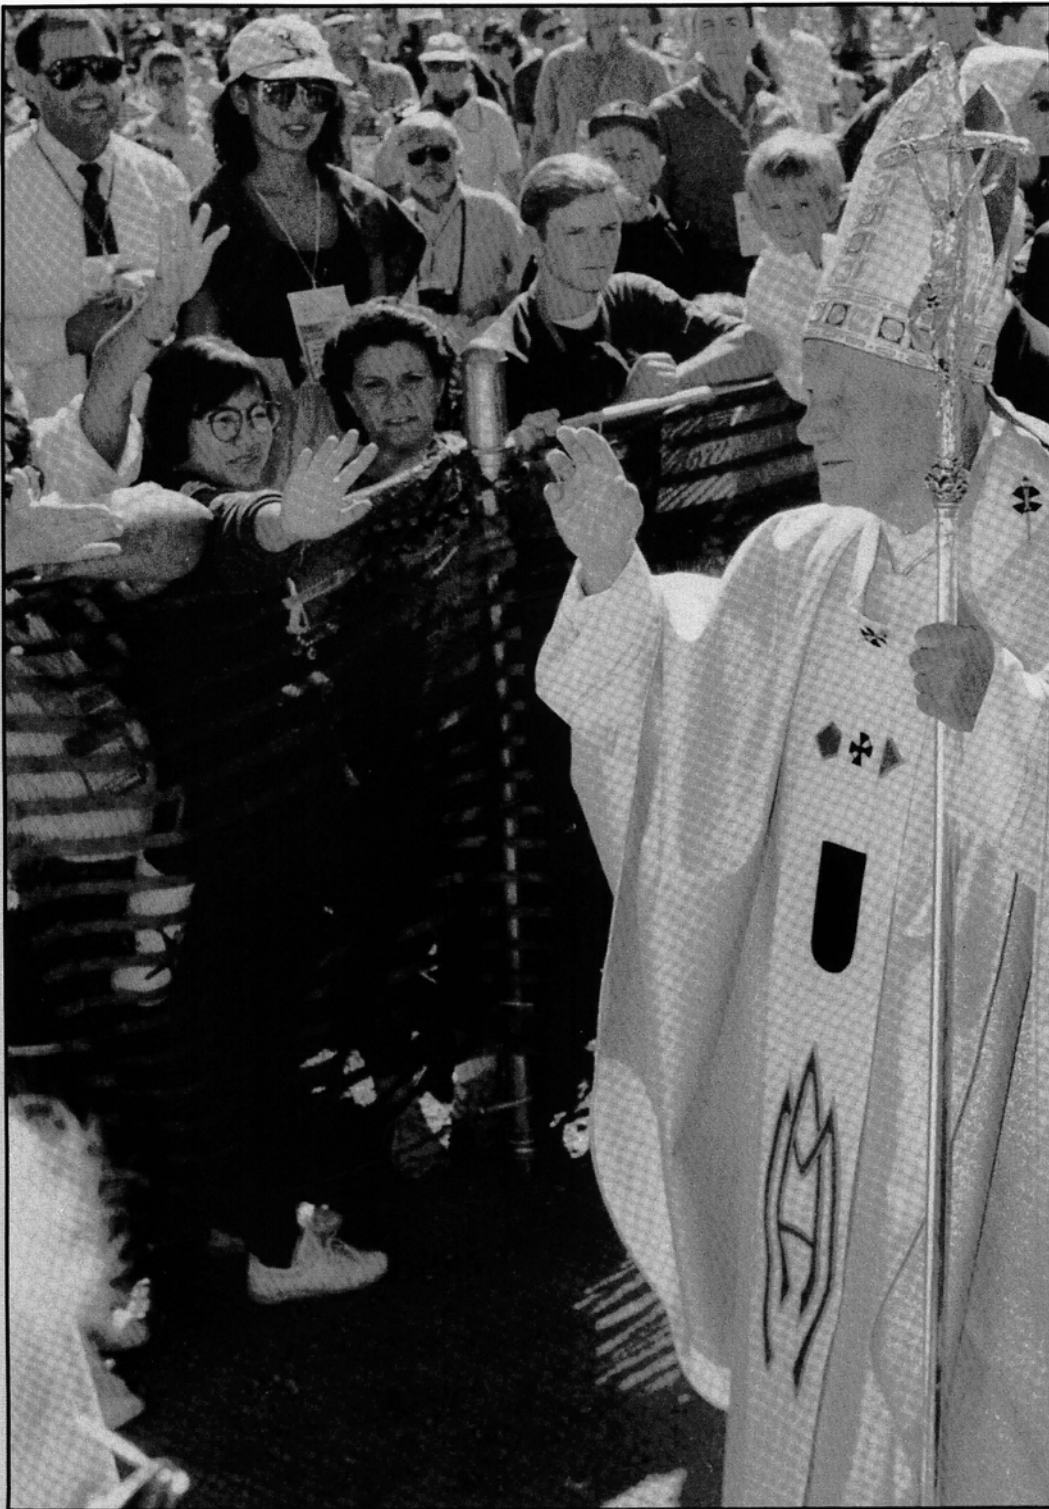

AMTRAK CRASH

An Amtrak train hurtled off a bridge into an inky bayou in Saraland, Alabama, early on the morning of Sept. 22, 1993, plunging its sleeping passengers into a nightmare of fire, water and death. A barge had struck and weakened the bridge shortly before the wreck. It was the deadliest wreck in Amtrak's 23-year history, but 159 people survived.

POPE JOHN PAUL II VISITS U.S.

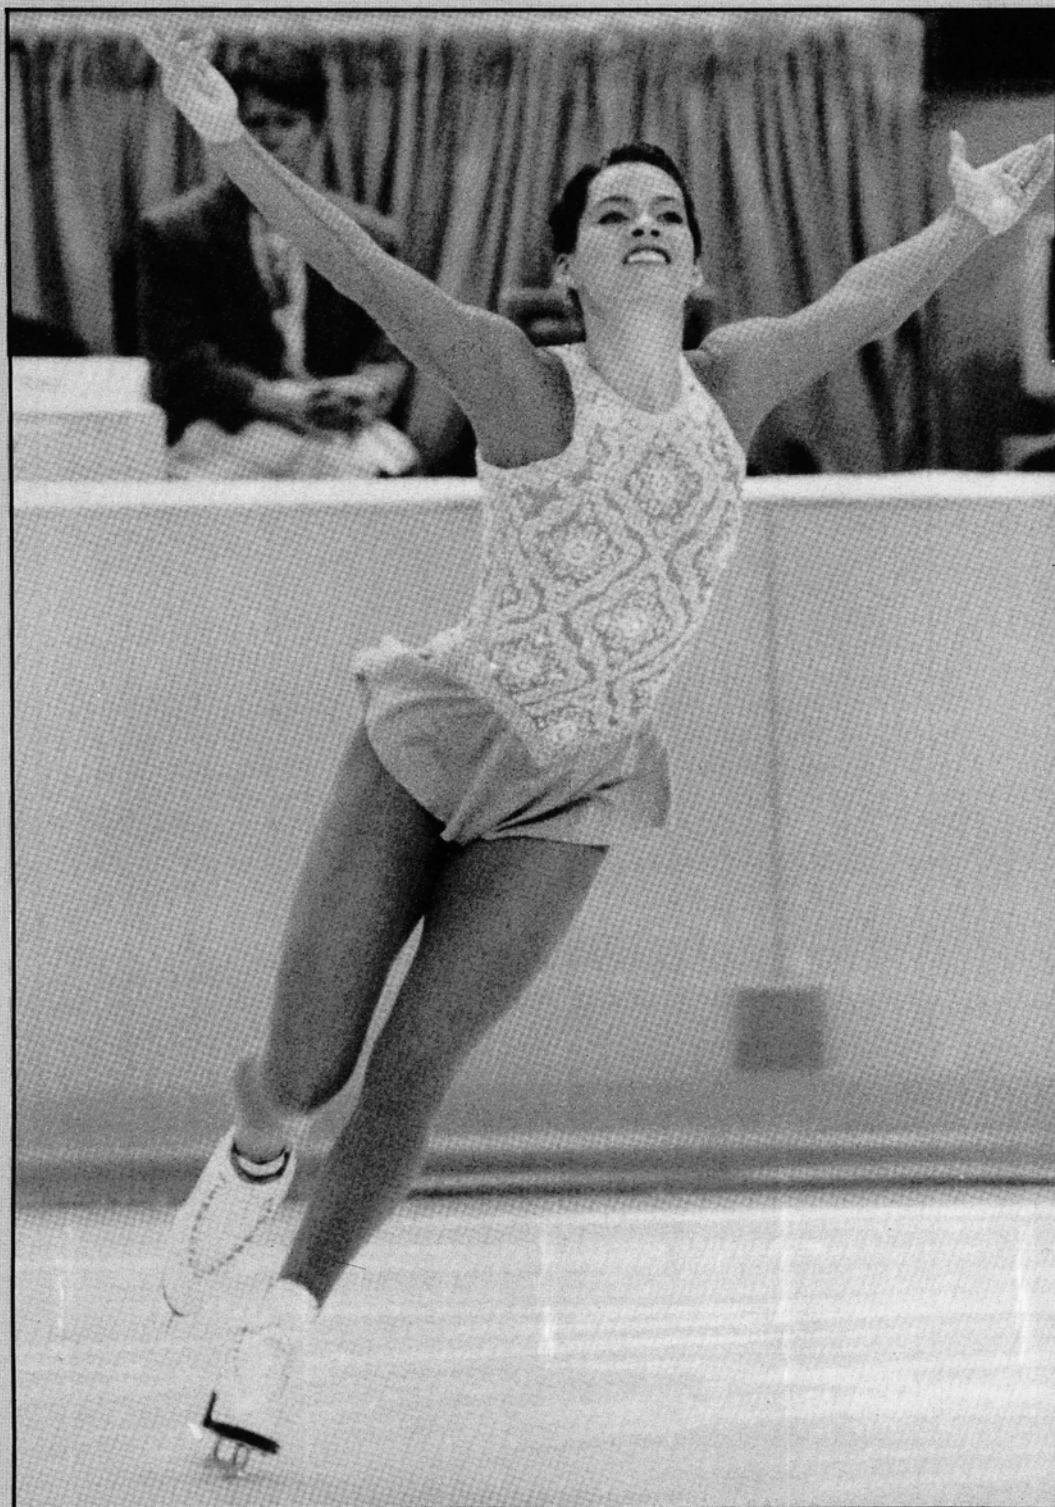

Pope John Paul II used some of the harshest rhetoric of his 15-year papacy to decry abortion and euthanasia during a four-day trip to the United States in August, 1993. On the last day of his visit to Denver, with Vice President Al Gore standing nearby, the Pope denounced the "culture of death." "The culture of life means respect for nature and protection of God's work of creation," John Paul said in a farewell address at Stapleton International Airport that was attended by Gore, a supporter of abortion rights. "In a special way, it means respect for human life from the first moment of conception until its natural end." The Mass formally concluded World Youth Day, the biennial pilgrimage of international youth convened by the pope.

THE HANDSHAKE OF PEACE

September 13, 1993, all eyes were on two old enemies in their new roles as peacemakers. Their handshakes -- the grasp by Arab Yasser Arafat of the hand of Jew Yitzhak Rabin -- brought applause from several thousand people on the White House lawn. A few minutes earlier Rabin's Israel and Arafat's Palestine Liberation Organization

had signed a peace treaty that once seemed unimaginable. The PLO recognized the right of Israel to live in peace; Israel, in turn, recognized the PLO as the representative of Palestinians. President Clinton, who guided Arafat and Rabin toward their historic handshake, called it a "great occasion of history and hope."

Nancy Kerrigan Attack

Nancy Kerrigan, the 22-year-old U.S. figure skater who was among the gold medal favorites at the 1994 Winter Olympics, was attacked after practice on January 6, 1994, by a man who hit her on the right leg with a club or metal bar.

The blow severely bruised her knee and bruised her quadriceps tendon, an injury that could impede her jumping and landing ability.

Within days, an anonymous phone call to authorities pointed to Kerrigan's rival, Tonya Harding, and a few of her entourage.

Harding's ex-husband, Jeff Gillooly, her bodyguard, Shawn Eckardt, and two hired men were arrested.

The U.S. Figure Skating Association has formed a panel to investigate the case, the first step in the process that could lead to Harding's removal from the team.

Superbowl

The Dallas Cowboys won their second straight National Football League championship and the Buffalo Bills earned a sadder spot in sports history by losing their fourth straight Super Bowl.

Dallas defeated the Bills 30-13 on Sunday, January 30, 1994. Emmitt Smith, the game's Most Valuable Player, led the way for Dallas, rushing for 132 yards and scoring two touchdowns.

Smith, the league's MVP in the regular season, added the Super Bowl MVP award to his collection

Sheik Omar Abdel-Rahman

Sheik Omar Abdel-Rahman was charged on August 25, 1993, with commanding "a war of urban terrorism" in New York City.

Although his supporters described him as sincere and pious, the blind cleric's radical, anti-Western preaching antagonized many Americans.

The indictment accused him of being the mastermind of a plot to blow up the World Trade Center -- which had been bombed on February 26 -- as well as numerous other targets in New York that were never hit, including the United Nations building and the Lincoln Tunnel.

Abdel-Rahman denounced the bombing and denied involvement in the alleged conspiracies. But he surrendered following a tense standoff outside a Brooklyn mosque. Several of his followers also were charged.

Abdel-Rahman, 55, a vehement foe of Egypt's secular government, preached frequently at mosques in Brooklyn and Jersey City, NJ. His indictment followed a lengthy debate in the U.S. Justice Department over whether there was sufficient evidence to justify criminal charges.

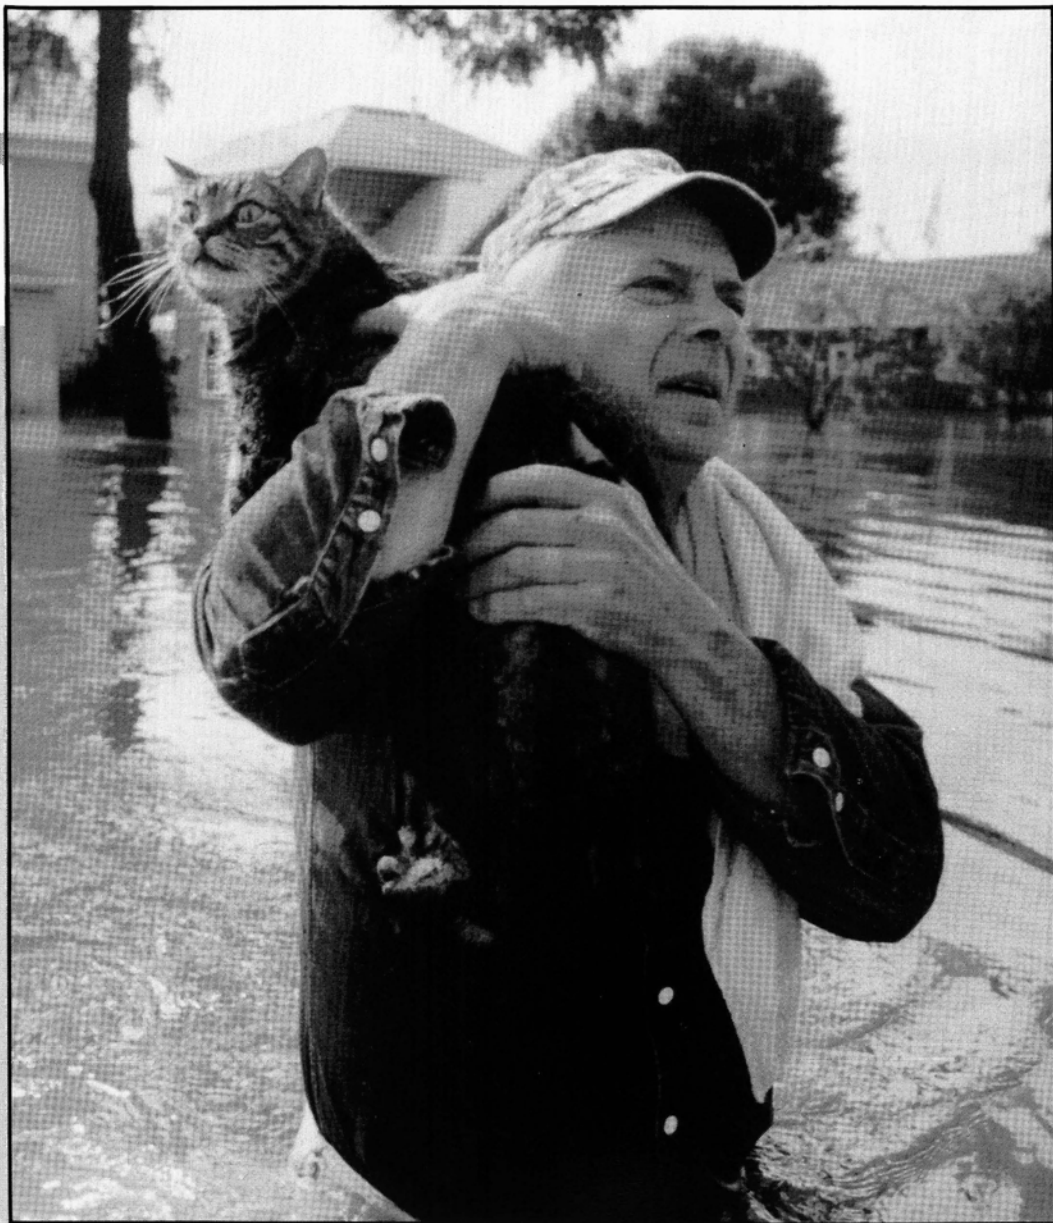

Midwest Floods

It was the biggest, wettest story of the summer.

The floods that washed across the Midwest may have been the worst in American history, and they captured the concern of people across the nation.

The stage for disaster was set during the winter, when unusually heavy snow fell. There were no midwinter thaws, so the snow melted rapidly as spring arrived, enough to scatter record flooding. And then came the rains. Des Moines, for example, logged more than 32 inches by the end of July, compared with 18.7 in a normal year.

The casualties ranged from the thousands left homeless to investors and consumers in every corner of the United States. Some farm produce prices rose and insurers had to pay out millions in compensation.

California Earthquake

At 4:31 AM on Monday, January 17, 1994, an earthquake of 6.6 magnitude (Richter scale reading) struck Southern California, claiming 61 lives and leaving damage that may total \$30 billion.

Five interstate highways, including the state's major north-south route, and three state highways were closed at several points, crippling transportation.

Broken aqueducts cut off much of the water supply to the San Fernando Valley, the 260-square-mile suburban expanse hit hardest by the quake. Over 500,000 customers were left without power in Los Angeles County.

Streets were empty during nights of the 11PM-7AM curfew. National Guard troops patrolled against looting.

Attempted Coup in Russia

Russia, one of the world's greatest powers, experienced political upheaval in 1993 more typical of a Third World nation.

When President Boris Yeltsin disbanded the legislature September 21, many of its hard-liners barricaded themselves inside the parliament building, or "White House," in Moscow. Vice President Alexander Rutshoi and others tried to wrest power from Yeltsin in an attempted coup.

But, following Yeltsin's orders, tanks and troops flushed out the

defiant lawmakers, many of them old-line Communists opposed to Yeltsin's attempts to move the nation toward a free market economy.

The world was stunned by the sight of fire raging uncontrolled inside the stately parliament building. When the smoke cleared the rebellion was crushed, and its leaders -- including Speaker Ruslan Khasbulatov and former Security Minister Viktor Barannikov -- were in jail.

A commission was formed to create a new legislative framework, and elections for a parliament were scheduled.

Sumo Wrestling

In a year filled with horrifying news photos from battlefields around the globe, one photo of human struggle brought a smile: a little boy's joust with a huge sumo wrestler.

It happened before a sumo tournament in San Jose, CA, on June 5, 1993, that attracted the world's best. The competitors included Salevaa Atisanoe, a 576-pound Hawaiian who goes by the sumo name Konishiki and is known in Japan as "Meat Bomb."

Before the matches, about 20 boys took turns on Konishiki and another sumo champions on the dirt sumo ring, trying without success to push the huge men around.

The AP photo of one boy pushing with everything he had against Konishiki's vast stomach -- and getting nothing more than a smile from the giant for all his effort -- was cited by the Associated Press Managing Editors association as the year's best feature AP photo.

Cold Wave

Across the Northeast, the Midwest and large parts of the South, the extreme cold of January 1994 brought an end to the daily routine.

Arctic air with wind chills up to 74 below zero swept across the eastern United States in the wake of a blizzard that dumped enough snow to paralyze several states.

At least 92 deaths have been blamed on the barrage of cold and snow. Many of these victims were killed on icy roads or had heart attacks shoveling snow, while others froze to death.

Tens of thousands of homeless people sought protection at shelters, which were filled to capacity in many areas.

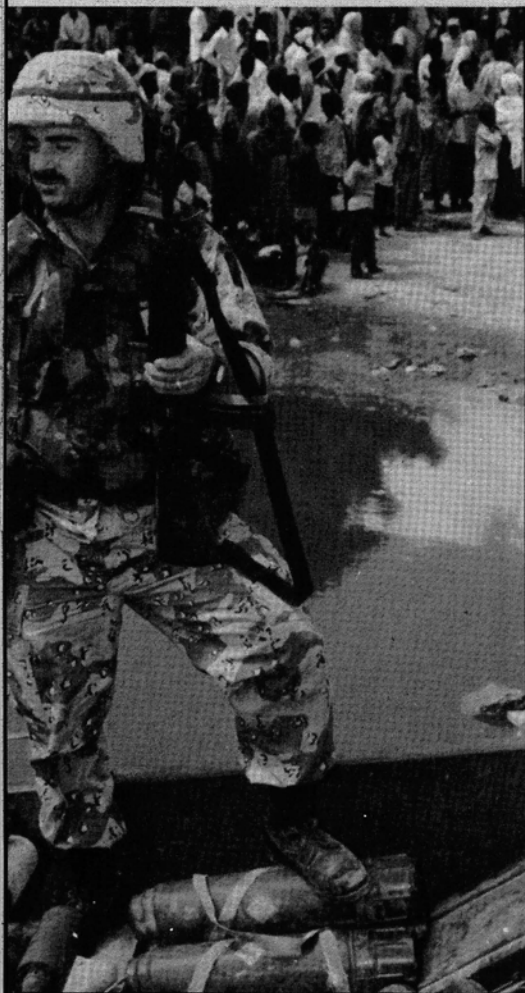

Somalia

The world was drawn to Somalia in 1992 by photographs of starving children. It was almost driven away the following year by photographs of fighting adults.

Mogadishu was a city divided, with a northern sector held by warlord Ali Mahdi Mohamed, and the south by a rival, Mohamed Farah Aidid. Aidid and Ali Mahdi had united to overthrow dictator Mohamed Siad Barre, whom they forced into exile in 1991. But their ensuing contest for power led to a full-scale war over Mogadishu that killed 350,000 people in fighting and exacerbated a famine.

Aidid became the U.N.'s bete noir after he was suspected of ordering an attack on a group of Pakistani peacekeepers.

U.N. forces launched a manhunt for Aidid, but its forces halted ground patrols and all but essential military convoys in Mogadishu after an October 3 battle that left 18 Americans, one Malaysian and more than 300 Somalis dead.

Supreme Court Judge Ruth Bader Ginsburg

Declaring that "the times are changing," Ruth Bader Ginsburg in 1993 became the second woman to sit on the United States Supreme Court.

At her swearing in ceremony at the White House on August 10, the 60-year-old women's rights pioneer said that "in my lifetime, I expect there will be among Federal judicial nominees...as many sisters as brothers in the law."

"That prospect is indeed cause for hope, and its realization will be the cause for celebration," she added.

Ginsburg, who became the 107th Supreme Court justice, joined Sandra Day O'Connor, a justice since 1981.

Ginsburg won several landmark Supreme Court cases as a lawyer for the American Civil Liberties Union Women's Rights Project in the 1970s. She was the prime architect of the legal argument, radical at the same time, that the Constitution usually requires equal treatment of men and women.

She was President Clinton's first nominee to the high court, and was overwhelmingly confirmed by the Senate.

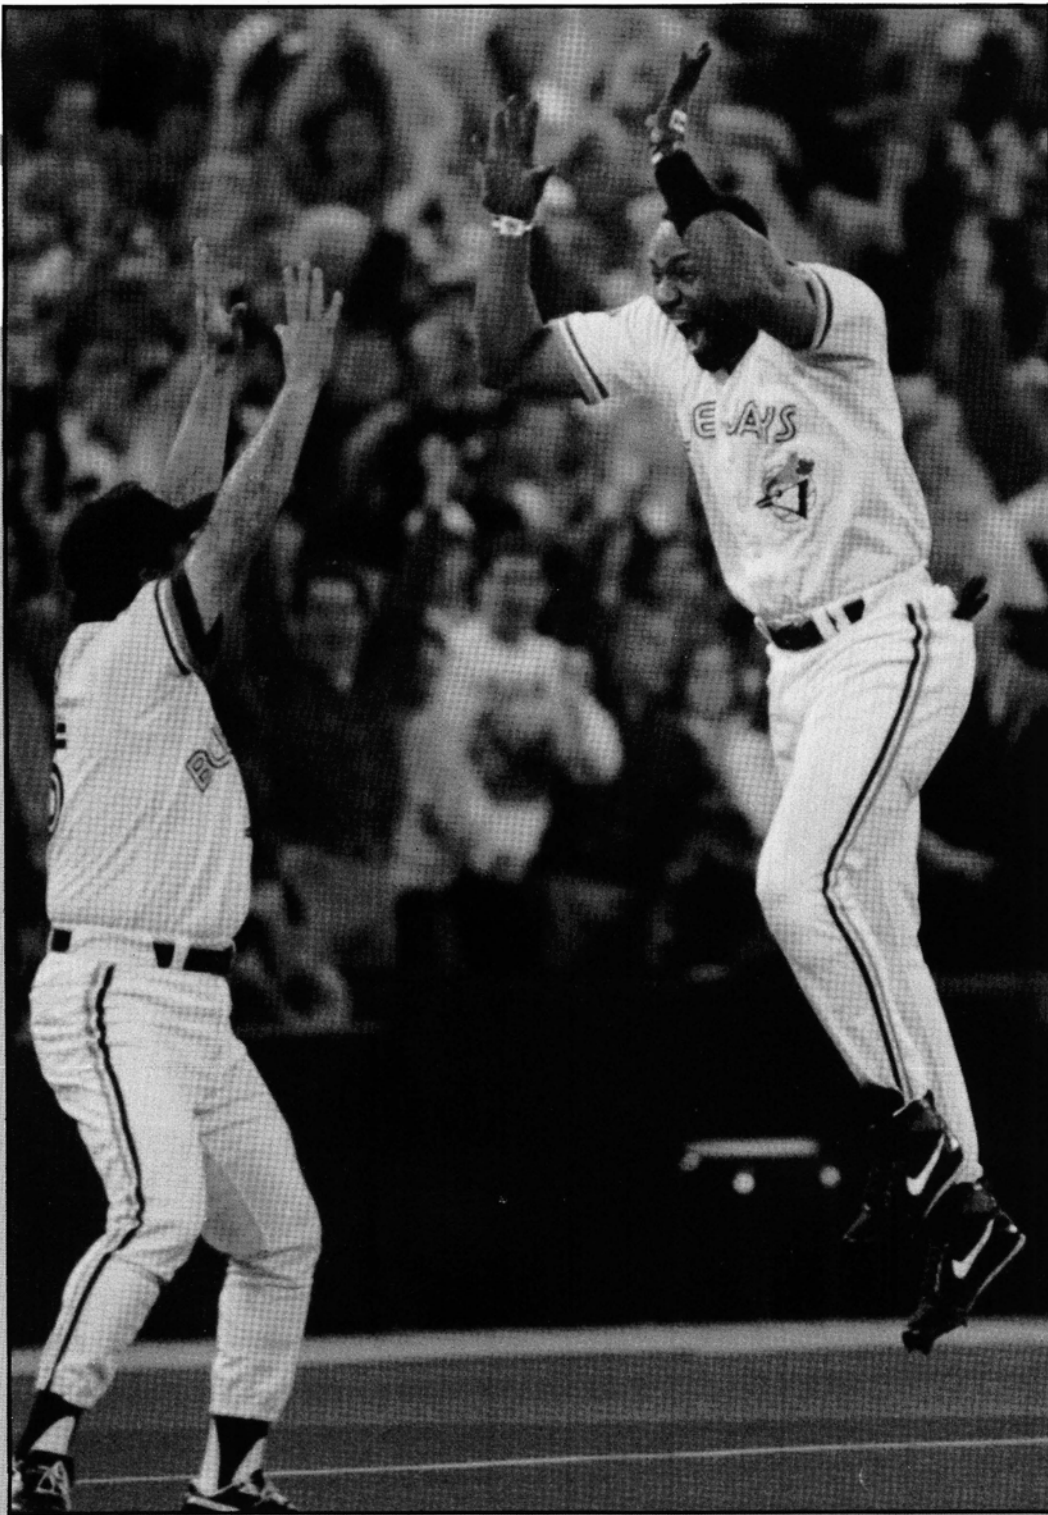

World Series

It was one of the most dramatic home runs in the long history of the World Series.

Joe Carter of the Toronto Blue Jays stepped in the ninth inning of the sixth game of the series, with two runners on base and the score 6-5 in favor of the Philadelphia Phillies.

Carter's Blue Jays lead the series, three games to two. And after one swing of his bat, the game was over and the Jays had won their second straight series.

The right fielder circled the bases, arms outstretched over his head, and slapped palms with third base coach Nick Leyva as the crowd in Toronto's SkyDome stood and roared with glee.

Health Care Reform

President Clinton's point man on health care reform in 1993 was his wife, First Lady Hillary Rodham Clinton.

When Mrs. Clinton appeared before Congress to implore its members to work with the administration to overhaul the health care system, she got a movie star's reception.

But the talk quickly turned to business.

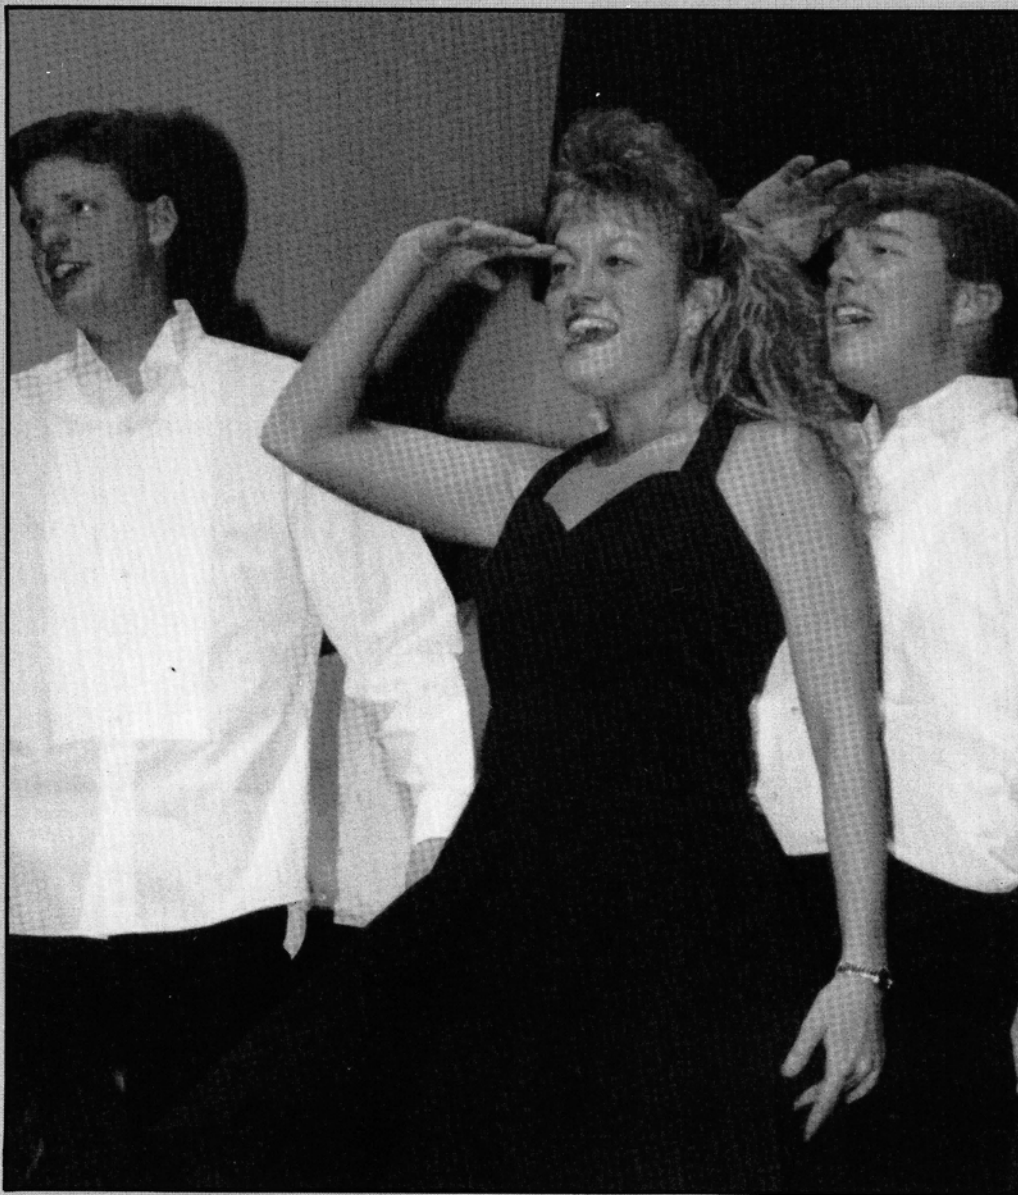

Representative Pete Stark, a

California Democrat, said he favored expanding Medicare to cover all Americans. He told Mrs. Clinton that his mother fears that she would be worse off under Clinton's reform plan, even though it calls for new Medicare coverage for prescription drugs.

Mrs. Clinton, who chaired the White House task force on health care reform, conceded that Stark had a point.

"I have a mother, too," she said, "so if we can't pass the mother test, we're in trouble."

A place to call your own. That is how I think of Ohio Northern University. Like most freshmen, I was extremely nervous about coming to school. I was leaving a place where I knew everyone and everyone knew me. I was leaving everything that I had known before and the security that lies with that knowledge. I was entering a place where I

the closing. She was also my roommate when we ventured to Kansas City, Missouri to discover how our yearbook was published. Another thank you goes to Bob Allen. He is a great advisor and this book could not have been completed without his guidance. Thank you, also to Holly Hanson, my associate editor. She is always there to do the

Does everyone know that the pond at fraternity circle is in the shape of a polar bear? I'll never forget when a special friend of mine showed me where three pennies are hidden in the sidewalk, but I'll leave that for you to find.

Whenever I leave ONU, I always know that I will be able to return and find my friends. That will not

would be just another face in the crowd. Instead, I found a place where I belonged and where I could be anything that I wanted to be. I have made friends that I know will last a lifetime and memories that will live beyond a lifetime.

I want to extend a special thank you to Amy Carrillo. She worked beside me through the opening and

odds and ends and I look forward to working with her again next year. Thank you to everyone on the staff. They worked very hard and are the core of this book!

I hope that everyone can find a place to call their own at some point in their lives. I also hope that everyone can leave ONU with at least one special memory.

change after graduation. Ohio Northern University will always be a place to call your own!
